New Officers Take Part in Government

Last Tuesday, February 17, student body elections were held for the third year that they were open to the candidates. Those elections were originally scheduled for Thursday, February 19, but because the candidates had to have a 142 or better signed by their teachers, the votes were moved to the following Tuesday.

The ballots were left on the bulletin boards in the halls. Students left for the cafeteria during the voting hours and then voted on the spots. The spots were not marked, so the voters were not identified. The candidates were represented by their respective representatives and freshmen staff and secretary.

The three candidates who were elected were Larry Wray, Charles B. Smith, and Barry Lawrence. The only freshmen class secretary candidate was Dana Slides.

Students are encouraged to join the group and contribute to the weekly performances. The group is open to all students who are interested in music and enjoy singing or playing an instrument.

Ahlai Caught in the Act

Gary Bondetti, Bakersfield College freshman, almost succeeded in making a fake telephone call to the police and municipal officials to report a fire and smoke explosion in his room. His attempt to fool the school authorities with this switchboard was almost equal to that of Radio City in Hollywood.
