Retailers to Attend Long Beach Conclave

The Future Retailers of California will hold their state con- vention, in Long Beach March 8, 9 and 10, according to Rich- ard A. Rayner, head of the distribu- tor education department.

Two members of the convention will be faced meals at the LaFayete Hotel in downtown Long Beach, and there will be social events, such as a dinner will be held on the campus of the Western College.

The Western College will hold in Long Beach and tours of the campus will be given. The convention will include registration fees, Saturday lunch, Sunday banquet, Saturday dinner and Sunday breakfast. Extra expenses will be $6 per person and money for personal spending.

All persons must sign a code of conduct to protect their property. The U.S. General College will host this event.

New Pylon

This is a sketch of the future 16-foot pylon which is to be erected on the corner of Panorama and Hayter. The event which will appear on the editor will be an interscholastic contest to be held soon.

Goode States Plans For New Landmark

Bakersfield College will soon become a part of a new landmark for Kern County, according to Lee Goode, director of the re- recently organized "pylon com- mittee" and member of the student council. It was revealed today that plans have been drawn up for a pylon to be constructed at the center of Panorama and Hayter streets.

The structure will have a reach of 19 feet and a breadth of 19 feet, with a base 24-foot square that will total the form four feet above ground level.

The contemporary designed pylon will be constructed of architectural concrete with a name and crest inscribed. A stairway will lead up to a spacious room for students. A planter will flank each side and will be faced with red brick. The color scheme will follow close to that already found on campus.

A memorial will be built around and extend beyond the pylon and will be more extensively landscaped. The school will finance this part of the project, whereas, the student body is paying for the construction of the pylon through student body funds of dances and student body card sales.

The window is to be designed by Lee Goode under the professional advice of Wright-McQuarriate. The new landmark will be useful for various events, such as dedications and grand openings. It is hoped Goode stated that the project will be completed by time in time for graduation exercises.

An hour school will be held to be designated a specific crest for the college. The univers- ity of California, Berkeley, was voted down since the school should have some crest or emblem of its own. College halls will soon be released and can be ob- tained from architect’s instruction, Goode stated.

The meeting of March 8, 9 and 10.

Each person will be covered by liability insurance, $25,000 for personal injuries; $50,000 total liability for property damage.

Dead or $125 are due and payable or before the con- vention. It will be open for dancing and socializing at all times when not being used for meetings.

Special features of the con- vention included three speakers, a good hand for the dance, an option for members to arrive at a hotel located pool in downtown Long Beach and tours of one each.

Vacation Tomorrow

Holds, for students! Vaca- tion, which marks busi- nessmen’s day in Bakers- field, will give all students a valuable chance to be invited by the Chamber of Commerce. The conventions are getting ready to get a better rep- utable for all.

This conference is held every year. It is a preparation for the conference. It includes the definition, nature, ethics, and possibilities of the conference. It will include workshops work out problems that have been publicized. The problems of the conference are to discuss problems in the field. There will be a "workshop" and a "conference," and students would like to see.

Attending From Bakersfield College will be Tony Sullivant, student body president, who will act as conference chairman in the student government workshop. Jim Lake, student body vice-president; Pat Rick, student body secretary; Larry Miller, director of student relations; Janette Rueltgers, director of publicity; Pat King, director of student associations; Betty Ann Aller; Maurice Peterson, Marion Woff,(Login’s) John Quinton; Larry Sullivant, Louis Yarburg, Bob Groomer, Ralph Walsh, Tom Klein, and Dee Dyverson.

Executive Discuss Gov’t Problems

A Central California Junior College Student Government Association conference will be held at the Western College. The conference is held in conjunction with the northern six junior colleges of the California Junior College Student Government Association.

Workshops are set up for the conference. These include the following: government; secretary, social studies, agriculture, women’s studies, students, and possibly the students themselves. These workshops work out problems that have been publicized. The problems of the conference are to discuss problems in the field. There will be a “workshop” and a “conference,” and students would like to see.

Geology Trip OKed

Official approval has been given for a geology field trip during Easter vacation. For which students may receive one unit, the trip, supervised by John Tennis, department of geology instructor, will be held in the Muine Lode for three days, which is about 90 miles away and is at the coast.

FDH is a preparation for the trip, which will last three days, is a passing grade in geology 10 or present enrollment in geology.

Interested students should see Zimmerman in S.R. 10 im- mediatelv.

Accreditation Team to Pass Final Judgment

The accreditation committee will be on the campus next Mon- day through Wednesday. The final judgment on "whether or not the college is acceptable into the Western Col- leges" will be made. Accreditation will be important to the students. Because without the recognition of the association, Bakersfield College may lose studentsunted and units will be almost not transferable stated Dr. Edward Simonson, dean of administration.

Dr. Simonson urges the stud- ents full cooperation and participation with the accreditation team that is coming to the campus.

Indian Educator To Visit City

Bakersfield College is to serve as sponsor for a visit of E. L. Thomas to this city March 25 through 27, when the educator will conduct workshops on the "State of America" under the auspices of the foreign power leaders in school programs.

The Foreign Leaders program was established by the American Council on Education in co-oper- ation with the State Department to enable outstanding educators from countries in search of America and observe life and countries.

Two years ago Bakersfield College acted as sponsor for the visit here of Prof. Joseph Logue, "from the University of Botolavi." These and the schools has again been chosen as sponsor for another distinguished visitor.

Thomas is a native of Trujillo, Peru-Avila-Cochine State, India. He received his BA and MA de- grees in English and Latin from the University of Edinburgh, and his teacher diploma from the Uni- versity of London.

He served two years as reader in English and Modern History College, for four years as English major, and for two years as head- master at Sind Madrasah, Kann- chi. Since 1950 he has been head- master at Lawrence School, Lovedale, Wiltshire.

Put to the Test

Just as Mrs. Jopek Wulff is testing her knowledge of a foreign language in the audio-visual depart- ment, so Bakersfield College will be tested by the Western Colleges Accreditation committee next week. This accreditation will determine whether BC credits will be acceptable at other institutions.

College Hosts Physics Teachers

The Southern California section of the American Association of Physical Teachers will convene for a meeting at the BC campus, according to George Sagen, chair- man of the department of physical science, who was presented with the agenda for the meeting.
VEEP, TWO PREXIES LINE POLICIES

By Dave O'Connell

"In order to make the campus a better place, the people here should be more responsible and have a better understanding of the consequences of their actions. We need to work together to create a more positive and respectful environment."

KLUB KAPERS

Bakersfield College

A new and exciting difference this year, according to Bactle.

The new program includes a variety of activities and events to enhance the student experience. The students are encouraged to participate in these activities and share their ideas and concerns. The aim is to create a more inclusive and engaging community.

Nursing School To Open This Fall

A Bakersfield College program in nursing will open in October, according to the college administration. The program is designed to meet the growing demand for nurses in the region. Interested students are encouraged to apply.

RAC TO BE EXCITING DIFFERENT, SAYS MASSEY

"In order to make the campus a better place, the people here should be more responsible and have a better understanding of the consequences of their actions. We need to work together to create a more positive and respectful environment."

COLLEGIATE CIRCUIT

by Gaylord Bennett

From the Long Beach City College using this Tuesday, we're starting the last big bit of information.

During a recent game against Long Beach City College, it was announced that the game would be played on the Saturday, March 3rd. The game is expected to attract a large crowd.

Friday night: "We're playing at Long Beach City College, and we're hoping to have a big crowd."

Our reporter spoke with the head coach of the Long Beach City College, who said:

"We're looking forward to playing against the Bakersfield College. We're excited about the game and we're hoping to have a good crowd."
Swimmers Stage Inter-Class; Freshmen Reign

The Bakersfield College aquatics program kicked off its season with a close win over San Mateo on Feb. 23. The competition was held in a pool in San Mateo, and the Bakersfield team won by a small margin.

The annual conference championship was held on Feb. 23. The competition was held in a pool in San Mateo, and the Bakersfield team won by a small margin.

Diamond Nine Slips Against COS; Bounces Fresno Rams by 9-6 Count

For "The Dip That Refreshes" - "Go Jump in a Lake, or Pool"

The Dip That Refreshes

With this coming summer's obsession - "the new" hip-swimming思潮 - spreading across the athletic world, it's no wonder that people are now flocking to the pool to refresh and rejuvenate.

The purpose of the exercise is to simulate the movements of various aquatic sports that are likely to be offered at the local public pools and private clubs. The dip is performed by first dipping the head into the water, then moving the legs and arms in a rhythmical way, and finally standing up to breathe deeply.

The dip is considered a great way to cool off and relax, and it's a fun activity to do with friends or family.

Women's Tennis

The Bakersfield women's tennis team played against El Camino College on March 10. The match started at 2:00 PM and was held at the Bakersfield Tennis Club.

The team played well and won the match with a score of 7-2. The next match will be against Bakersfield College on March 15.
FIGHT POLIO WITH VACCINE-!

Editorial:

Monsters, Big and Little, on Campus

DAVID GREEN

With the number of giant rumbling earth machines roaming about campus, a person sometimes wonders if the campus hasn’t become a big freak show for pre-historic monsters. If one happens to get in the way of one of these huge machines, he is certainly impressed by the startling similarity between these modern monstrosities and the antediluvian dinosaur. However, the real process of “evolution” is taking place slowly.

The work of the huge earth mover is just about done, and in its stead we find smaller machines creeping in to take over where they left off. Perhaps the strangest new machines to be seen on campus these days is the new (for back a few months) term: rock-picker-upper.

This little machine is pulled along behind a tractor on the rough, uneven ground, and magically picks up rocks. It does a very good job, picking up all kinds of rocks, and leaving the ground almost ready for planting. All it takes one man to operate the machine.

A.V.A. Adds Aid

The newly formed group of students at Kern College is attempting to help the people with polio. They are now trying to raise money through the sale of tickets for the upcoming dance.

The dance will be held on Saturday, May 23rd, at 8 o'clock in the evening. Tickets will be sold at the door for $1.00 per person.

The proceeds from the dance will be used to help people with polio. Any amount will be greatly appreciated.

Let’s all come out and support this worthy cause. We need your help to make this dance a success.

Coast Attends Title

Jean Church, Bakersfield College, is the first Kern County woman to win the prestigious “Miss Harbinger of Spring” award. Miss Church was chosen from among over 100 entries to represent Kern County in the annual wildflower show. The event was held on March 15th at the Kern County Fairgrounds. Miss Church’s selection was based on her beauty, poise, and grace.

She will represent Kern County at the national level in San Francisco, where she will compete with other state winners from across the country.

Airline Seeks Stewardesses

Aviation Co. Seeks Stewardesses

The California Airways Co. is seeking to fill the positions of stewardesses on their new flights. The company is looking for women who are at least 21 years old, have a high school diploma, and are able to operate a small aircraft. Interviews will take place on Wednesday, April 3, and Thursday, April 4, at the California Airways Co. headquarters.
Hull of a Note

By Mike Hull

For all you also owned the Fleischer Jazz Popularity Poll, here are the results. The winner, by a vote of 87,000, is the late Charlie Parker. The second, by a vote of 67,400, is a man called Bird, favored by some for his "great personality." The vote was held in the last eight ballots, with Bird's score increasing from 70,000 to 89,000. The third, by a vote of 62,400, is a man who has been called "the greatest living jazz artist." The vote was held in the last eight ballots, with the artist's score increasing from 60,000 to 75,000. The fourth, by a vote of 61,400, is a man who has been called "the greatest living blues artist." The vote was held in the last eight ballots, with the artist's score increasing from 60,000 to 70,000. The fifth, by a vote of 60,000, is a man who has been called "the greatest living rock artist." The vote was held in the last eight ballots, with the artist's score increasing from 55,000 to 60,000. The sixth, by a vote of 59,000, is a man who has been called "the greatest living country artist." The vote was held in the last eight ballots, with the artist's score increasing from 55,000 to 58,000. The seventh, by a vote of 58,000, is a man who has been called "the greatest living pop artist." The vote was held in the last eight ballots, with the artist's score increasing from 55,000 to 58,000. The eighth, by a vote of 57,000, is a man who has been called "the greatest living R&B artist." The vote was held in the last eight ballots, with the artist's score increasing from 55,000 to 57,000. The ninth, by a vote of 56,000, is a man who has been called "the greatest living soul artist." The vote was held in the last eight ballots, with the artist's score increasing from 55,000 to 56,000. The tenth, by a vote of 55,000, is a man who has been called "the greatest living jazz vocalist." The vote was held in the last eight ballots, with the artist's score increasing from 55,000 to 55,000.

Vat's Girl of the Month

North Brown, a junior at Century High School, has been selected in the Vat's Young Star girl of the month for March. North is a member of the Valley Girls, High School's social club, and a captain of the Lady Rangers basketball team, sponsored by the Vat. The costume North is wearing is inspired by the cartoon of her character, a Romanian dancer.

EXEC NOTES

It has been drawn to the attention of the administration that several students have been observed using Hall Notes. These notes are hand-written and passed around among students, often containing test questions and answers. The use of these notes is considered a violation of the academic integrity policy, and students found in possession of them may face disciplinary action.

English B Class

Give Memorial

The English B class at 3PM will be holding a memorial service for John Smith, a former classmate who passed away last week. The service will be held in the school's auditorium, and all students are encouraged to attend.

FASHION CUES

Spring Events Start

With the arrival of spring, students are turning their attention to the upcoming fashion events. The spring fashion show is scheduled for next Friday, March 29, at 8PM in the school's gymnasium. Tickets are available at the school's ticket office, and all students are encouraged to attend.

SOUND OFF

Dear Editor:

I am writing to express my concern about the increasing number of tests and assignments being given to students. It seems like there is no end to the workload, and I believe it is affecting our ability to enjoy our youth.

Sincerely,
[Name]

Students Embark on Easter Trip

A group of students from the school's band and orchestra will be embarking on an Easter trip to New York City. The trip will include sightseeing, concerts, and a visit to the Metropolitan Museum of Art.

CAMPUS NOTES

Tickets for the annual music festival are now on sale. The festival will be held on April 15, and tickets are available at the school's ticket office. All proceeds will go to the school's music program.

Transfering Sophomores

Several students are transferring to other schools this year. The administration has been working with these students to ensure a smooth transition. For more information, please contact the school's guidance counselor.

FREEDOM SHRINE GIFT FROM EAST BAKERSFIELD EXCHANGE CLUB

The East Bakersfield Exchange Club recently presented a Freedom Shrine to the school. The shrine is a symbol of the club's commitment to supporting education and the arts. It will be displayed in the school's main lobby for all students to see.

Harper Embarks on Mission to Paris

A group of students will be embarking on a trip to Paris next month. The trip is sponsored by the school's French club, and all interested students are encouraged to apply.

The Smart Look

The trend of the week is the "smart" look, featuring tailored suits and button-down shirts. This look is characterized by a clean, classic style that is both stylish and professional.

Oh My Blood!

The Kappa Alpha Psi Fraternity is holding a blood drive this Saturday morning. The drive will be held from 9AM to 1PM in the school's gymnasium. All students are encouraged to donate.

The Freedom Union, given to the college by the Exchange Club of East Bakersfield, is being examination today by two Dishes above. Linda Shtickland and Jack Ashley are looking through the collection today after the three-day tour in which they were involved. These photographs cover all the images documented in the school's yearbook and will be used to enhance the school's historical record.
Bakersfield Cancels Gymnastics Schedule

Dropouts and injuries to the Bakersfield College gymnastics unit have resulted in a point to where the conference schedule has had to be cancelled. With only one potential gymnast, John W. Timmons, a freshman, the unit was not able to secure enough possibilities for Metro competition this season.

This sports weakness, however, may be offset by the fact that these schools in the county have not emphasized it in the past. Consequently, it will be a matter of time before the college can compete regularly. Coach Loken has hopes of building a team to catch the arrival of the freshmen.

Swim Coach First to Be "Exposed"

By GIL NORTA

To quiet the student body with the physical education staff, the Bakersfield College sternest and most expected coaching staff is being "exposed" to the light of day. This exposure reflects the actions of Coach Forget who has quite a record of accomplishments in the athletic field.

All who know him can tell you that the time has come to acquaint yourself with him the more you admire him and his captivating personality.

Meadow, his wife, his three children and his baby, Janette, is a joint pleasure and respect for their athletic husband and father and the winning ways.

On the football field and the basketball court, Meadow is a smash, leisure time, a northbound, eastbound and polishing rock.

During his four-year stay at Berkeley, 1946-47, Turner was an All-Conference selection on the basketball squad, and as a freshman he received honorable mention in All-Conference for the football squad. He was also active in basketball, earning his All-Conference honors.

The following two years he spent atStockton where his skill and scholastic won him a first string position on the All-Conference football team, and he played on varsity basketball and swimming. Upon completion of his studies at San Francisco State, he taught and coached for three years at Stanford, furthering his educational background.

Golfers Clubbed By E.L.A. Huskies; Third Straight

The Bakersfield College golfers lost their fourth match of the season, which was played last Sunday, from the yardage book at the Bakersfield Country Club in Los Angeles.

The closest anyone of the Gaels could come to exactly pinning down their opponents was when Bob Reynolds, Bakersfield's best, scored a 97 to tie Doyle of E.L.A. with the identical score.

Today the Gaels are latching a practice shot with CCE at 3 p.m. at the Bakersfield Country Club. Their next league match will be played at El Camino on the greens of Alondra Park on Monday.

Anthony Fires No Hitter at Gades; Deason Gets Loss

After splitting two league games over the weekend, the Gades ran into the Putnam Pasadena on Saturday and came out on the short end of a 1-0 nail-biter.

Tony Anthony, pitcher right-hander, scattered 17 seven-inning gus eggs with help of some splendid fielding and led the Gades to a perfect game. Only Anthony's wildness and two errors prevented Deason from a perfecto. Anthony, fanned 10 and walked none in six innings.

Gade starter, Paul Deason pitched one of the finest games of his career at the plate, going the distance, and held the Gades to two run lead.

The only high-flying gus came in the first inning, a triple off a single by catcher Moulton to score Deason, and the gus fell. After this, Putnam was caught off base.

On the Gades, traveled in Santa Monica and defeated the Corsairs, 9-4 in a real barnburner giving them their 1-3 conference record and a current seven straight loss streak in the A.A. Valley and Long Beach with 9-4 revenge.

Trailing 6-3 in the ninth, Bob McCall and Bob Mackey scored on a single to right, then Paul Stenson, Gade pinch hitter, scored, grounded to short, but Santa Monica counted to three and third base, Calvin Meek then sent Meek to the cleanup with one walk and a score. Derby Krane to fill up the game, 6-6 and advanced to second on the next, home.

Anthony, who came in to the game as the pinch hitter, sent the next base, Jim Ginn, since then, with another walk, Paul Deason added a pinch hit single to score Ginn. At the Gades a tie, 9-9.

Paul Deason, centerfielder of the Smith, in the fourth, held the Corsairs to three runs, stopped an error and a triple that bounded off the wall. Paul, leaving the third baseman, had gamers two unearned runs.

Warlick was credited with his second conference win of the season, improving his .500 record.

Stanton, in the ninth, was awarded the hit-out, put out the Corsairs in the ninth inning, and then sent out the game as a pinch hitter, in the top of the ninth for Paul Deason.

Santa Monica, however, did the same thing they did against the Gaels they came to the last in the ninth. Leftfielder Robinson, the batting average, was sent to the drive to right center field, which McCall lost, and the base runners, the plate, raced back for like an excited rat after the finding of his gus. The catch the right fielder made was the same, Stockholm and two out the final two out were caught. The Gaels were down to 9-9.

Santa Monica came on the backs of a 7-3 defeat at the hands of L.A. Valley.

In Las Vegas, Wally Sprague and Menach Monarch ace Pearson picked up 11-9.

The Gaels played home to Atwater against Long Beach and East Los Angeles, and could not pull the game off. The Gaels were still left to the Bene in this situation to put out a good show.

Sports

Flying High

Bakersfield board junior, Bob McCall, is in air readying himself for the coming season, Friday, the El Camino, Los Angeles Valley, and Gade track squad will meet in practice in the Mead field.

Three seems to be quite a bit about the wonder written on the front of the book. In case you may have been one of the few people, who observed something, she's been horrifyingly ignore, "Vandalsommers." No, I overlook, know what you're thinking, sister, Council, Athletic Department, "there's nothing on page two about Vandalsommers. It's on page two about Vandalsommers."

"Vandalsommers," page one, found alright, but with the cancellation of the gymnastics team (hence: Metro competition) this year, there's a chance there being a mix-up with any one of three stories, one of these, page one of cancellation.

Now with all the major errors supposedly settled, let all lean back, and try to forget the whole thing. On the more serious side, if you probably all know by now, Wayne Minto, who made the 53 pound wrestling division, and Bill DeVito in the intramural field, were still injuryed last Friday night while riding in a car on the streets of Kernville, W.V., of the sport, staff pay, homage to such fine athlete who once performed here at Bakersfield College.

CINDERFEMEN FACE VALLEYS, WARRIORS

Although the only hope of capturing the Metro league dual was a single of any sort against Long Beach, the Gaels had their final assault on the first spot, meeting El Camino and L.A. Valley Friday, down south. Finally, though, the dominant Harbor College easily, and by a larger margin than did the Warriors they finished behind the southern beach boys in both halves of the double dual held Friday in Memorial Stadium.

It took a tremendous anchor leg by Bob Fischell in placing Gade anchor man, J.C. Phillips, on the top, right hand corner and simply from (right to left) against Vandalsommers."

Now, that sounds reasonable enough doesn't it? Second reaction, cast yourすることを表示するジェネレーター、またもやのメンバー。
