AA Degree Offers Proof of Ability

Graduates from Bakersfield College have many advantages for the future, according to Margaret Levinson, dean of students.

One of the foremost advantages is the high degree which Bakersfield College has. Because of the high academic standards, a student is better qualified for jobs after graduation with all his units intact.

University Associate of Arts degree given by Bakersfield College, for example, is the cause of the qualifications required for graduation from the college. It is considered a complete and selected course of study. He doesn't just go to college for a four-year degree. It is equivalent to a two-year degree after graduation with all his units intact.

Teemen Spring Into Win Spree

The Renegade golfers won their fourth straight match by overwhelming the LA-Valley linksmen 29-7 Friday. The Gades, who duplicated the 29-7 score they posted over El Camino the week before, won five of the six matches, four by shutout 6-0 scores.

The Gades have played excellent golf during the second round of league play, making up to second place with a 3-2 record. El Camino holds first with a 7-2-1 record.

The teemen, who should have little trouble winning their three remaining matches, can end the season in a first-place tie if the Warriors should be upset in one of their two remaining contests.

Tracksters Capture Title

The undefeated Renegade tracksters captured the Metropolitan Conference dual meet championship by beating San Diego 73 to 49, and East Los Angeles 108 to 14 at East Los Angeles last Friday.

Miles Eisenmann took second place in the mile run. Sue Eisenmann of San Diego, who won in the good time of 4:24.8, with Fred Morris coming in third.

Bradford Again Sets Century Mark

John Collins versatile trackmen continue to chop down records as he and his teammates are 1 mile to Suses of Los Angeles. Bradford, who only two weeks ago set a new BC century mark, 9.6 at the Southern California Relays, accelerated his pace to clock 9.5 at East LA last Friday, the fastest 100-yard run in BC circles this year.

Coach Collins sincerely believes that the ex-Shafter High vanguard could well become another decathlon great, such as Raser Johnson.

Bradford is one of the best four hurdlers in the nation, a good 13 ft. pole vaulter, a near six ft. high jumper and in addition runs the century in blistering time.

Indicative of the depth and strength that BC has is the fact that the local spikers have recorded the best mile relay in the nation this year, and established a new nation 480 shuttle-hurdle relay mark of 1:52.

KRAUSE DAZZLES VIKINGS

Gene Krause exhibits the form he used to pitch a no-hit, no-run game against the Long Beach baseballers last Friday.

Krause Pitches No-Hitter, Downs Vikings, Warriors

by Mike McManus

Last weekend proved fairly successful for the Renegade baseballers. Bakersfield shut out Long Beach 6-0 last Friday, Saturday, the Gades split a double header with El Camino 0-3, 3-1.

The Renegade pitchers put on their best exhibition of the season, holding their opponents to only 8 hits in 3 games. In comparison, Bakersfield batters reached 22 hits for the 3 games. In the Long Beach game Friday, Gene Krause pitched a no-hit no-run game. Only two Viking batters were able to hit the ball out of the infield and they were pinch-hitters in the ninth inning.

At El Camino, the first game was a real pitchers' duel between the Renegades' Gordon Bergthold and El Camino's Larry Hankhammer. Bergthold held the league leaders hitless for 6 2/3 innings. All El Camino's runs were scored in the ninth inning. This was the first time Bakersfield was shut out this year.

In the second game, Bobby McDowell pitched a 3-hitter, holding the Warriors hitless for 4 innings. Third baseman Fred Felsen blasted a 3-run homer over the left field fence, in the fifth inning of the second game. Outfielder Ray Jackson hit a triple in the fourth inning. Both Felsen and Jackson received 4 hits for the game's leading batters.

Next Friday, Bakersfield hosts LA Valley for a doubleheader. Saturday they travel to LA Harbor.

Mathis, Phares Represent BC

Bakersfield College will send a doubles team of Ron Mathis and Bob Phares to the Metropolitan Conference Tennis Tournament at El Camino College May 2 and 3. Mathis and Phares won the honor by winning the elimination tournament as set up within the tennis squad and run off last Wednesday and Thursday on the BC courts.

Homogeneous Team

The Raqueteers, whom, who won two of last week's matches, are an unusually homogeneous team. They lack one or two outstanding players, but have nine members who can oppose any of the fifth and sixth-ranked singles players on any of the Metro squads with the exception of Santa Monica. Therefore, the intra-squad elimination tournament was possible.

Mathis and Phares beg a Charlie Rekos-El Roberts combination 9-7, 4-6, 6-0 on Wednesday, then edged Charley Parrott and Phil Newlin Thursday, 3-6, 6-3, 8-6.

Parrott and Newlin had the victors down at match point twice before losing the two-hour struggle.
