RENEGADES CLEAN-UP TIGERS

BITTE, STOMPEN SIE OUTEN DER LIITTENJIS

Mess Points To Necessity Of Program

Custodians, as instructed, did not clean the cafeteria and Campus Center yesterday.

Today it will be cleaned to show the contrast.

P.A. announcements and posters will also be used in the Campus Center Clean-up Campaign conduct ed this week by the Campus Center committee.

Much time and effort has gone into the campaign headed by John Gary, ASB vice president.

The Campus Center Clean-up Committee met for several weeks in formulating its plans. "Sick, sick, sick," finally has become the motto of the campaign against the student "Littermikes."

Once the major campaign is underway, the clubs agree to operate in carrying on the campus cleanup program. The rest is up to the students.

Fires, Furniture, Cigarette Butts

Harrass Janitors

"We have now solved the problem of the mysterious fires in Campus Center," quoted John Gary, ASB vice-president. "We got rid of the P.A. P.A. plants!"

Once during this semester a student caused a burning cigarette butt, into the bushes, and ignited the dry plants.

But there are more disastrous problems facing the Campus Center Clean-up Committee according to Gary and Lenard, the Campus Center custodians. Students are throwing cups, glass, and silverware in the lined cans; which are centrally located.

The committee also encourages students to drop all paper articles and milk cartons in the nearest trash cans.

"Very soon," according to Miss Judy, Campus Center coordinator, "large heavy metal ash trays will be welded on the outdoor tables and chairs for the convenience of both students and maintenance men."

These ash trays will replace the old tin foil sheaths.

Four Gades Named To All Metro Squad

Gade grid stars Ray Jackson, Jerry Torr, Ron Poin- der, and Sylvester Cooper were named to the All Metropolitan Conference first team.

Selected as "play of the year" was Poinder's hustling center Ivory Jones.

Gades Mike Bunder, John Erby, Sondy Rogers, Don Hampton, and Cecil Manning were all given honorable mention.

Renegades Score Late To Post Win

by Ed Tolay

The Bakersfield College Renegades closed out the 1958 football year by routing the visiting Riverside Tigers 56-16 in the annual Potato Bowl football game Saturday night before a record breaking throng of 20,000 fans.

Riverside opened the game by running the kick-off back to their 36 and then reached 41 yards to the Gode 21 where they ran out of downs.

During the first half the Tigers continuously moved the ball deep into Gode territory only to see the PC defense stop the occasion and halt the attack.

The Riverside offense netted 137 yards in the first stanza as compared to 53 for the locals. In addition to the opening drive, other Bengal threats penetrated to the Gode four, fourteen, and seven yard line.

Bakersfield seemed to come to life as they took the opening kick-off of the second half and moved the ball well before the Tiger line could contain and halt the attack.

From then on the Gode-defense began to eat up yardage, but they were unable to put together a strong enough drive to carry them to pay dirt as they contin- ued to gain yardage downfield territory, only to fumble and see the Gode take over.

With time running out in the game, the Renegades took the ball in the third half and in the clinch of "we shall not be denied" they moved the ball to the Tiger four and on 13 plays when Ray Jackson went out tackle for the game winning touchdown.

With Ron Merritt holding the ball, Gode p.r. specialist Jack Ren- gert kickled a perfect strike and the Gades led 7-0 with 4:27 left in the contest.

The Tigers took the kick-off but were unable to move the ball and were forced to punt.

With 1:10 left, Riverside tackle Roy Bettis recovered a Gode fumble deep in Bakersfield territory, but an interception by Ray Jackson halted the threat and the Renegades preserved the victory of the ball to end the game.

History of Campus Clean-up Contains Long List of Campaigns, Failures

Campus Center Clean-up Committee is to be chosen from students on the campus. The committee was formed in hopes of avoiding the old campus clean-up problems.

Kraftsman's Klub sponsored a clean-up of the whole campus and made the present wooden signs.

Last year it was decided that the biggest problem was not the whole campus, but mainly with Campus Center. A student poll was taken to find ideas for a successful clean-up campaign.

Very few helpful suggestions were given, but it did come up with the "bittering" idea. A two week campaign was staged with the "bittering" appearing on large signs and posters.

Announcements were made over the P.A. system and signs for the individual tables were distributed, all to no avail. When Life magazine photographers came to take pictures of the college, campus was so dirty, they had trouble getting shots.

During the second semester, the three-week campaign was staged but it too, ended in failure. Later in the spring, more carts and trash cans were ordered, student leaders and teachers gave P.A. announcements and for a time the situation improved. As always, however, this campaign also ended in failure.

This campaign will use a more realistic approach of a follow-up program, according to John Gary, ASB vice-president.

JACKSON SCORES—Renegade All-American fullback Roy Jackson climaxd a 49 yard drive by going off-tackle for four yards and the only touchdown of the eleventh annual Potato Bowl football game. Those players who are identifiable are Dick Parks (85), Bruce Cornell (72), Jim Josephson (33), and Art Gilmore (111), sitting.
Frantz To Survey Religions in New Spring Eve Class

Dr. Frantz, who is well known for his enthusiasm for understanding the beliefs of all religions, will present a survey of religious beliefs in his new class. Through his lectures, students will gain a deeper understanding of different religious practices and beliefs, which will broaden their perspectives.

The students are also planning to have a mistletoe party on December 22nd.

Geologists Study Volcanism, Faults

Geologists are investigating the formation of volcanoes and the mechanisms of faulting.

The study is being conducted in the Great Basin area of Nevada.

The geologists are using a variety of techniques, including remote sensing and field observations, to study the formation of volcanoes and the movement of faults.

Campus Clean-up Incentives Progress, Discipline Revolt?

The administration is considering implementing a campus clean-up incentive program, but the students are not pleased.

The students feel that the incentive program is not enough, and they demand better conditions.

Dr. Paul Johnson, Campus Director and Associate Dean, is considering the students’ demands.

Nursing Examiners Visit BC Campus

The California State Board of Nursing Examiners visited the Bakerfield College campus on December 13th, according to the administration.

The examination was conducted to ensure that the college is meeting the state’s standards for nursing education.

The examinations were conducted in the college’s nursing laboratory and classroom facilities.

The administration is committed to providing the best possible education for the students.

The examination results will be announced in the near future.

All students are encouraged to participate in the examination.

COMING SOON—Probably the most anticipated event in recent years is the release of the BC campus clean-up incentive program, which is scheduled for the spring semester.

The program is designed to encourage students to maintain a clean and orderly campus environment.

The administration is confident that the program will be successful and will improve the overall appearance of the campus.

The program will be implemented in collaboration with the Student Affairs Department and the Campus Services Department.

The administration is also considering implementing a similar program for the fall semester.

The program will be evaluated and adjusted based on the feedback from the students and the staff.

JIM TOWNER RESIGNS AS GRID LINE COACH

Will Devote
Full Time
To Swimmers

by Jim Church

Big Jim Turner, the man responsible for the success of BC gridiron during the past six seasons, has decided to quit coaching football to devote more time to swimming and water polo teams.

It would be safe to say that the Renegade line this year probably held the best forward wall in the Metropolitan Conference, which is regarded by many as the toughest league in the country. On the other hand, the water polo and swimming teams have seldom been better, and haven’t been as spectacular as the football squad. Building the Athas teams has been a challenge for Turner.

In his final year as Grid line coach, the senior meeting is one that Turner thinks is “the best line that I ever coached.”

Howard White, holds center for the Bicentennial Tigers, the team that BC defeated 21-6 in the Pacific Bowl, said that Turner was the “best we faced yet.”

JIM TOWNER

FEARED DRIBBLER—Jim Granato, one of this year’s two returning letter winners on the hoop squad, exhibits the dribbling form that makes him one of the best guards in the state last season; Jim also possesses a fine two-handed shot.

Nine Renegades Honored

Four members of the Pacific Bowl band were awarded first team berths on the All-Metropolitan Conference selection released last week.

Conference winner, Santa Monica City College topped the all-star honors by placing six guards on the first team. Jim Turner, the coach, was picked for the third consecutive year.

The conference team had 124 votes, followed by USC with 114 votes, Cal State Los Angeles 110 votes, and the Renegades with 88 votes.

Top Gator Harriers, Dunkers Named

The Boston University and water polo banquet were both held Tuesday night in the Bakersfield cafeteria at the same time but in different sections.

Coach John Collins, president of the harriers, said that in seven Gator races were presented letterman awards.

The award for the top scorer went to Neville Shaw who added the top score to the larger collection of other awards he has received throughout the season. Jim Harbottle was named the most inspirational runner of the year.

After a fine dinner and the presentation of awards, the athletes and coaches were entertained by color films of the last Olympic Games.

Eight swimmers, all of whom are eligible to return next season, were presented letter jackets at the water polo banquet. Receiving the top awards as high point gaters and the most inspirational swimmers were Jim Wilson, BC’s high-scoring forward, and Jack Sturman.

Metro Squads Fare Well in Bowl Play

The high-scoring football machine of Santa Monica City College coupled a powerful running attack with a pinpoint passing against Northeastern Oklahoma A&M, 31-17, in the Orange Bowl Classic at Pasadena last Saturday afternoon.

It was the play of left halfback Lloyd Young and quarterback Carl Young that sparked the Metropolitan Conference titans to the one-sided victory.

The victory was also the third post season win for a Metro team this year. In the previous two games, the Renegades beat Antelope Valley in the Alhambra Bowl and the Renegades shut out Riverside in the Spod Bowl.

Metro Squads Fare Well in Bowl Play

Jim Wilson Honored

Forward Jim Wilson was the only member of the BC water polo team that was chosen, for the All-Metropolitan Conference selection this season. He had a fine season and a fine performance in the conference this year. Jim Wilson, BC’s high-scoring forward, and Jack Sturman.
