Dr. Prator Accepts San Fernando Position

Dr. Ralph Prator, President of Bakersfield College was appointed president of the newly-organized San Fernando Valley State College on January 3. The sudden developments leading to the new professional advancement began on Christmas Eve when Dr. Simpson, State Superintendent of Public Instruction, invited Dr. Prator to meet with him in Sacramento on December 26.

On that day, Dr. Prator, Dr. Simpson, and Dr. Yash, Associate Superintendent of the State College Program, met and discussed the position of President of California's fourth year state college.

Home News Campus

On December 28, Dr. Prator and his family visited Northridge in the San Fernando Valley to see the area and the campus. After the decision to accept the President position January 3, the final decision of appointment was made on January 3 by the Benef.ic Memorial College at Northridge. The new President will stay until the end of the current school year next year. He is a graduate of Whittier College, High School and Lewis and Ruskman, Ottoway Blvd. Elementary School.

Here 7 Years

Dr. Prator has served as BC president for the past seven and a half years, guiding the school through the difficult period of transition from the old downtown location to the present modern campus. He will face similar problems of construction and organization in his new position.

Evening Division Adds New Classes

Eight new instruction and courses have been approved for the Bakersfield College Evening Division in addition to the courses already offered, Dr. Parkil Kilburn, night school director, has announced.

Dr. Kilburn said testing will be completed Jan. 8 and 14, from 7 to 10 p.m. Counseling begins Jan. 7, and students may begin in either Mr. Gaffin's or Mr. Wilson's offices from 7:30 p.m. up to the beginning of the spring term.

Day students who wish to take any of the new courses of classes for credit must have their counselor's permission to enroll. In a night class, one must only attend. Registration is completed in that class.

Dr. Prator takes new post

Late Flashes

Students Apply Now For 68 Scholarships

The early deadline for local scholarship application is April 1, according to Miss Margaret Levingston, dean of students. Approximately 68 local scholarships will be given to Bakersfield College students this year for further study. Some are for special fields of training, exclusively but most are not limited.

Most universities and four-year colleges offer scholarships to BC students, as well as to the local ones. Further information regarding those awards will be shown in the bulletin board opposite A-8.

All necessary application forms can be found in the Dean's office, and deadlines vary for the different scholarships. Students therefore are urged to inquire immediately with the requirements will be applied for scholarships as soon as possible.

Last year 84 local scholarships were available to students, ranging from $50 to $500. A total of $18,000 was given in scholarships that year.

The California State Scholarship Commission, newly established in 1955, is offering 1958 scholarships for the 1980-59 school year, $100 will be awarded for the 1957 awards and the remaining $800 will be new awards. In order to qualify, a complete exam must be taken on Feb. 8.

Applications for the test must be in by Jan. 18 to qualify students to take the test. Each competitive scholarship is for an amount equal to one year's full course, or necessary fees, a maximum of $600.

Some of the scholarships available are for art, music students, nine unrestricted, 11 unrestricted for women, four for women in the sciences, two for agriculture students, two for colored students, three for technical and industrial students, and one for a student entering Stanford.

Soph to Sell Slaves for Dance

"Thirty-three slave girls will be auctioned off Friday, fourth and fifth periods, in the Little Theater," George Roosevelt, class vice president, has announced. "All of these lovely girls will be auctioned in potato sacks."

This tale is in preparation for the Sophomore Dance and Sophomore Band. They will be divided into nine different workshops covering such topics as the family, church, delinquency, prevention, and youth fitness.

Bender, Hovis Eye Youth Conference

Lynn Bender and Bob Hovis, sophomores at BC, have been invited by Governor Goodwin Knight to attend the state-wide conference on Youth Participation in Community Affairs to be held in Sacramento on February 11-12. Miss Yadel, Foster, Spanish, instructor, will also attend.

Delegates to this conference will be adults and young people. They will be divided into nine different workshops covering such topics as the family, church, delinquency prevention, and youth fitness.

Bender, who is student body president, and Hovis, drum major for the Renegade Band, will be participating in the fifth Governor's Conference on youth.
Winthrop Pump Company Presents Complex Testing to College Students

The Winthrop Pump Company will conduct a series of complex testing procedures to determine the performance of its latest pump models for college students. These tests will be conducted in a series of three workshops, each focusing on different aspects of pump technology.

For Home Use
A total of 24 workshops will be conducted, each equipped with a new pump model. Students will have the opportunity to test these pumps in a simulated environment.

Renegade Calls for Larger Staff
The Winthrop Pump Company is calling for a larger staff to handle the increased number of workshops. The company is looking for students with experience in pump technology.

"How to Study" Gives New Tips
By James White

With both the text book, Biology 101, and the Philippine Daily Express, "How to Study," a new book by the Winthrop Pump Company, students will have a better understanding of the subject.

Audubon Tours Shows Wildlife
The tour, led by the Audubon Society, will provide students with a better understanding of wildlife and its preservation.

The World's Largest Pumping Station
This workshop will focus on the largest pumping station in the world, its operation, and maintenance.

1958 RAC Progresses Second Deadline Near

Recent activity at the complex of the first of two huge pumps for irrigation and flood control in the United States has resulted in progress on the second deadline.

Editorial

We are very happy to announce that the Winthrop Pump Company will be conducting a series of workshops for college students. These workshops will provide students with a better understanding of pump technology. We encourage all students to participate in these workshops and we look forward to their success.
Bishop Coordinates PE Dept. Activities

One of the busiest areas of the campus is the PE Department, with Bishop, in his regular rounds, keeping a close eye on the activities and competitiveness of his charges. With the new gym and facilities, the Bishop is able to keep a closer eye on the students and their progress.

Turner Calls For Meeting of Swimmers

By Don Evans

The recent deaths of two members of the swim team are the subject of a meeting this week. The team is expected to return to its normal activities after the meeting.

Jackson Makes First Team JC All-American

By G. W. Moore

The senior class of the school has announced its All-American team, with Jackson the only student from the school to make the team.

Gades Start League Play Against Corsairs

Ray Jackson

The Gades have started their league play against Corsairs, and have won the first two games.

Bender, Rozell Elected

The student body has elected Bender and Rozell as their new representatives. The elections were held on the 16th of January, and the results were announced the following day.

Board Names Simonsen; Assumes Duties Feb. 1

The Board of Directors has appointed Simonsen as the new president of the College. He will take office on February 1.

Placement Bureau

Any student who has applied for work through the College Placement Bureau is urged to submit his resume to Mrs. Wynn's office. She will forward it to the appropriate department.

Student Opportunities

The Student Affairs Office is offering new opportunities for students. Interested students should contact the office for more information.

New, Old Execs To Attend Banquet

The Student Council is hosting a banquet this weekend. All members, both new and old, are invited to attend.

Gades win first game, and are leading in the other two.
Mrs. Wyman Urges Early Applications for Jobs

It isn't too early to start looking for a job, according to Mrs. Wyman, the director of the Career Development Office. Many students who graduate in June go on to other schools and positions, and many of these have jobs available in mid-May. Mrs. Wyman urges students to make sure that they have a position lined up by the time they graduate.

Loken's Fields
BC's First Gym Team

for the first time in its long history, Boston College's women's basketball team will be upwinding in a new gymnasium. Located in the newly erected Field House, the team will be playing in a facility that is sure to bring excitement to the fans of the program.

All Games Away

The Eagles will play every game on the road this season, as the school has decided to build a new gymnasium for the men's team. The women's team will continue to play in the Field House.

Bassett's is sometimes used in basketball to describe the type of game that was being played in a particular area. The game was named after Bassett, who was a prominent figure in the early days of basketball.

A good basketball player is one who can play at a high level in any situation. A player who can score, rebound, and defend is considered to be a good basketball player.

Peach Basket Sport World's Most Popular

Basketball is the most popular sport in the world. More than 60 million people play basketball in more than 200 countries around the world. The game is enjoyed by people of all ages and skill levels.

When first introduced in the United States, basketball was considered a game for men and women of all ages. However, as the game became more popular, it was played both inside and outdoors.

Lance and Shield Admits 18 Members

Lance and Shield, BC's housing women's service club, will hold an open meeting on Thursday, Feb. 9, in the student lounge at 7:30 p.m., according to President Carol Grant.

Eighteen girls will be initiated, while the final number will be set at 30. The minimum number for the service club, however, is 12.

In order to become a member, a girl must maintain a C average or better and be nominated by at least two members of the organization. In turn, the nominee is elected by majority vote.

Several projects for upcoming days that you were eliding of student body costs at registration, school fees, drop-in center fees, and other costs to the student-

Gades Battle Vikings For League Lead Sat.

The fast-moving Gades, tied for second place with a 3:1 conference record, come up against the league-leading "Long Beach" Vikings Saturday night in the BC gym. The Vikings lead the standings with a 4:0 mark for the year, while the Gades are two weekend triumphs over East LA and San Diego. The Gades can tie the Vikings for top spot with a win Saturday.

Famous Long Beach coach Charlie Church has assembled an impervious array of college talent including Navy veteran Bobbry, a 5-foot-10-inch fireball at guard who averaged 17 points in 42 games in service competition last year and who is the team leader and playmaker; Dick Mockowitz, a 6-foot 4½-inch All-Stater and Catholic Prep, All-American from Pennsylvania; and five other cagers 6-4 or taller.

Comedy Injured

The Renegades gave the East LA bandits a real clipping, 59-49, last Friday, but came out of the game in weakened condition when Buddy Canady caught an elbow in the face and had nine stitches laced into his upper lip to hold his face on.

Against the Knights from San Diego, the Gades'-G.A.d.e.s.' jumped into an easy lead (half time score: 31-15), and played a cautious, ball control type of offense in an effort to minimize the chance of any of the nine men suited up feeding out.

Make-or-Break

Coach Gil Bishop says his Gades are looking to make Long Beach contest as the "make-or-break" stage of the season. The Vikings defeated BC in winning the Semi-Bear Tournament here in December. Buddy Canady will reject Marc Elfini, Dave Van Wagoner, Jimmy Gr因za, and Jimmy Miller in an attempt to average that back.

New Tennis Coach Calls For Turnout

Spring has sprung and with it comes a new tennis coach to Bakersfield College, who is eager to get the season under way.

We'll have our first call just as soon as we get word that the semistates finish are out of the way, comments Coach Willard.

Racket-Strung Needed

Interested students, who would like to have a racket-strung, both on the home courts and on trips away, are urged to contact Coach Stroud, in the men's Physical department of the gym.

The squad has three or four returners from last year's aggregation but in order to compete actively in the Metro Conference, the squad needs a few new rectangles.

BC Tackles SM

Bakersfield will meet Santa Monica, LA Valley, Bunt LA, El Camino, and Long Beach in that order beginning March 7 to initiation the Metro season. Each school will meet each of the other teams twice and will gather at El Camino, May 2 for the Conference Championships.

Gade's Battle Vikings For League Lead Sat.

Grid Game Enhanced Say Coaches

by Gil Molo

That college football will be largely enhanced by a recent football law which was written into the national rules by the uterus of coaches across the country. Run, Pass or Kick?

This measure permits a pass or run conversion will be worth two points as compared to one point if kicked, gives coaches the added incentive to revise their methods of attack.

Marking the first change in about 40 years, this new scoring procedure was adopted early last week at a session of the NCAA National Collegiate Athletic Association along with some other minor revisions.

Less Ties

Elimination of ties and added value on field and color are the principal attributes brought about through the changes, says H. Q. (Flets) Grillier, the man who initiated the idea.

Following this change, the conversion play will commence three yards from the goal line.

Horseholders to Start Tryouts After Finals

by Mike McManus

One sure sign of the coming of spring is the beginning of baseball practice. Official baseball-practice starts on Monday, Feb. 5, states Gerry Collins, baseball coach.

A meeting was held in the gym last Monday night to go over the schedule of events. This is coach Collins' first year of membership with college baseball. Collins plays baseball and football at Denver University.

Gades Get New Coach

While at Denver he was an All Skyline Conference choice in baseball as well as football and played several years in the New York Yankees farm system. Collins also coached many team leaders.

Some of the returners returning this spring are: pitchers, Gene Krause and Bobby McDowell, infielder, Sam Brown, and outfielder.

Napiers Turns Pro

by Gil Molo

Catcher Jim Napier, a product of Waskoe and B.C. star, was signed by the professional San Juan Sox baseball team last Saturday.

Golds Accepts Offer

While he was at BC, a firm offer from a big league team, money having been assigned to the Chamberlain by the team in the class B Three Eye League.

Jim has an older brother who played with the big league team, now is assisting the Red Sox. With high school, college, and Kern County League experience behind him, Jim is also hailed for his excellent hitting, with a four-foot-five hitter leading line-up.

Napiers leads BC.

Besides being a top-notch horsebreaker, he ably shouldered, almost single-handed, the burden of quartermastering for the BC 1957 graduation agglomeration into a fourth place rating in the national polls.

SPORTS ILLUSTRATED SAYS:

American Public Leads Toward Spectator Sport

by Phil Tinscher

Basketball to the spectator is one of the most captivating sports in the world today. The American public is tops among the countries of the world in attendance to the nation's basketball games.

In our high schools, basketball along with football, are the two sports which draw the largest amount of spectators. A poll taken by Public Opinion Blue Book magazine showed that 100,347,077 paid spectators had watched high school basketball games in the 1956-57 season.

Sports fan attending college game in these two years amounted to 13,300,645.

JC Attendance Grows

An interesting feature from these statistics shows that 811,328 anticipating spectators gave heed to Junior College tilts in the past two seasons and further reference shows promises of greater attendance during this year's season.

Further analysis of the statistics for the past two seasons shows that the number of people watching professional basketball is well over the million mark.

Most people in the far west have never actually seen a professional basketball game. It is human nature when a person was to keep track of basketball, he would find that almost any professional game was covered over 100 times.

Attention College Students

JOIN THE COLLEGE BOWLING LEAGUE IN THE SPRING SEMESTER

The college bowling league bowls every Wednesday afternoon at 4:30 p.m. at the San Joaquin Bowling Alley. The league will bowl for 12 weeks in the Spring Semester. Men and women students are invited to join. Don't delay! Organize Your Team Now!
