MORE CLASSROOM FACILITIES URGENTLY NEEDED

$9,000,000 Bond Issue Proposed To Add Rooms

California, one of the fast-growing states in the Union, is gaining population at the rate of more than half a million people per year, experts in population trends estimate.

"Kern County is in the forefront of this expansion," Kern County Board of Trade figures show. The county has increased in population from just over 80,000 people in 1930 to the present figure of nearly 300,000.

As population figures rise, school enrollment totals go up proportionately. In 1946, 6,000 students attended high schools and the junior college in the Kern County Union High School and Junior College District. In only 12 years, the number of students has increased to 15,000.

New Schools

To meet this increase, the district has constructed and put into operation three new high schools since 1949. The opening of the new Bakersfield College campus has allowed Bakersfield High School to use all the classroom facilities on the high school campus for its more than 4,000 students.

Classroom Needs

The district board of trustees has submitted a $9,000,000 bond issue to the voters who will vote on the decision, May 26. Behind the bond issue is a careful study of classroom needs by district administrators who estimate that more than 3,000 high school and junior college students will have no place to attend school unless additional facilities are constructed shortly.

PLACEMENT BUREAU

Sales Interviews

A representative from the Real Silk Hosiery Company will be on campus Monday, May 5, to interview students interested in selling the company's products. This summer, on a 10 percent commission basis, Mrs. Ellen Wynn, head of the student placement service, announced yesterday.

This job's opportunity could be very rewarding, stated Mrs. Wynn.

Counseling Opportunities

Are you camp counselor for students, especially men, are still available.

"Summer jobs are generally more scarce than usual," but positions left in employment should go unreported as possible spots of work on their own initiative," Mrs. Wynn advised.

Do It Right...The FIRST TIME!!

NOTHING can replace the sentimental value of the ORIGINAL engagement ring you give your girl. The gift must be unique - the one that will have to be replaced - the one that says - "I love you - forever!"

If you think you can "get away with" something that your girl doesn't like, you're making a mistake.

Campus Arts Out in May

The completed Campus Arts magazine is now complete.

The new book looks toward the end of May, according to Donald Lowrey, fiesta editor of the magazine.

One of the best

According to Mr. Dalke, the publication promises to be one of the best to appear in the three years of California College fiesta. Especially good are the short stories by Mr. Dalke and Mr. Lowrey.

Along with the short stories, the collection includes poems, art, photographs, and essays submitted by both students and faculty.

Contributors include Oscar Brandes, Ann Brown, Bruce Elliott, Leslie Carrier, Donald Frentz, humanities instructor, Barbara Gary, Larry Lesh, Jacobo Man, Phil Newlin, Fred Roland, Dennis Sanford, Winfield Stone, Chuck St. George, and Patricia Weiss.

The Campus Arts magazine is free to all students. There are no discounts.

Others may purchase a copy for fifty cents.

Barb's

The boy who was doing his best, but couldn't win, had been defeated. He was really trying hard to put the dream in the woods, trying to walk with you in the woods. You might try to kiss me, 'cause I don't know it. Look at all I'm carrying.

But you couldn't stick that cane in the goal. You like it, and you didn't even want to top it.

Then there's the guy who was really trying hard to marry her for his money.

Debaters Attend Finals

"The" Chandler and "the" Wesley, Bakersfield College debate team, are returning to the West Coast Regional Finals, the last debate activity of this year, at Los Angeles City College this weekend.

Chandler and Wesley won a trophy for superior debate at Pasadena earlier this year.

Proposed School Bond Issue

Will Aid Growing College

Bakersfield College, one of the newest and most efficient junior colleges in California, is already training more students than it was designed to handle.

Weather Bureau Donates Gauge

An addition to the already modern Bakersfield College campus is a meteorological instrument shelter, also known as a "weather shelter." The shelter was given to the college by the local weather bureau and is designed to give accurate weather readings.

Painted White

The shelter is painted white so it will not absorb heat, thus giving true readings. It will be placed in a clear spot where there is no shade or grass in order to give a constant temperature reading. All instruments in the shelter are shielded from the sun, and all temperatures will be read in the same way.

Students Use

Installation of the shelter may provide an opportunity for non-scientific students of BC to take weather readings. If this is done, the readings will be taken for the college.

Seniors Comment

On Annual BC Day

"A big beautiful campus," "gorgeous girls," and a "romantic" campus center were the things mentioned most often Thursday by seniors at the annual BC Day.

Purpose of the day was to acquaint local seniors with BC facilities. High school seniors from 14 high schools in Kern County attended the affair.

New and Modern

Jolly Healing, East High School, was most impressed with the Bakersfield College gym and the new large pool. "Everything is so new and modern it's perfectly beautiful," she commented.

"Girls, Girls, Girls"

When asked what impressed him most, the only words uttered by Ward Duke, Shafter High, were: "Girls, girls, more girls!"

"I wonder what all the students do with all their time besides sitting in the gorgeous Campus Center," commented Helen Critt Delano High School.

Concerning East-West Summit Hills: "Nothing will ever be the same if the tempted to the extreme every objection must be overcome.

'Burner of Bugle' Fitted With Authentic Properties

Authenticity in props is the key word in the production of "Burner of the Bugle," according to Robert Clark, director.

Because of the intimate atmosphere of the play, props must be realistic to the type in most stage productions. The major problem in "Burner" was to arrange the props on the stage so that the audience would not be aware of their existence.

Constructing a new desk and bulletin board presented unusual problems, reports Clark. The news desk had to be small enough for the audience in the seats, yet large enough to be used as a lectern.

The set also called for a bulletin board. A bulletin board

Rip Advisor Assists Planning For UCLA Workshop

Diane Spilbury, Bakersfield College journalism instructor and advisor to the Renegade Rip, will be a guest at a workshop to be held at UCLA, Aug. 4 to 15.

The workshop will be open to 20 teachers and administrators in the fields of journalism, English, and social studies. They will visit six college and university campuses from the eleven western states.

Spilbury will assist with program planning and conducting of the sessions during the period.

Use of newspapers in classrooms, examination of modern newspaper and publishing, and field trips to various metropolitan newspapers in the city, will be the general outline of the workshop.

Evening Division Plans May Dance

The Graduation Ball, historically held on a Friday evening after the annual commencement, will be held this year on May 28 in the Campus Center. Academicians will be invited to the Ball on May 28. The theme of the Rallying Cry '58 will center around a " 나타가 사 " theme.

Perform at Fete

The '58 Renegades, who will play at the rally of the Crusaders, will also play at the Graduation Ball Fete on May 28.

8th Renegade To Expand Sections

The 8th '58 Renegade, Bakersfield College handbill, will include expanded sections of advice to new students, information about the college's facilities, and questions about campus life.

Baseballers' Spirit High

by Mike McManus

This afternoon the Renegade nine faces Host L.A. UCLA. The game is at 3 p.m. at Frenco Stadium. Mission College is
at Gavilan College. Game is at 1 p.m.

Saturdays the Gavilan hosts the San Diego
Dragons at 1 p.m.

Spirit High

The spirit is high on the Gavilan
teams as is out to average the 1-3
out it received at San Diego earlier in the season.

A defeat over ELA would move the Gavilan into the first divi-
sion. They are a half-game out of first division giving the no-
thing to the game held earlier this season at ELA.

Impotent Outcomes

Both ELA and Bakersfield are mathematically eliminated from
winning the league title, but a win for Bakersfield would be a
big boost for them.

Joe Leggio Named President in Run-off

Joe Leggio swept the run-off yesterday to win the student body presidency at Bakersfield College. He was elected last Thursday afternoon with 57 percent of the vote.

State Assembly Honors Prator

In honor of his contributions to junior college education in California, state Assemblyman Chris Prator of Bakersfield was honored at a recent meeting of the State Assembly. A copy of the resolution was presented to Prator by the San Diego Junior College Union and the San Diego City College District on Monday morning.

Amendments Passed
The two amendments passed by the student body provided for a screening of candidates for campus president, and a referendum of all campus clubs every two years.

Bakersfield JC

"Burner of the Bugle" Opens in College Theater

"Burner of the Bugle," by D. W. Griffith, director of public relations, will be presented in the College Theater on Monday, May 16, 22, 23, and 24, according to Dr. Jack Cayce, Seven Arts director.

The movie, which deals with the adventures of a man's son, was directed by D. W. Griffith and produced by Joe Leggio, who is considered one of the "superstars" of the field.

Student admission is free for non-students at 75 cents.
Sagen Leaves After 35 Years

This is Retirement

Retires to Concentrate on Radiological Physics, Defense

Most men who retire at the age of 65 look forward to a leisurely life of fishing, gardening, or just plain loafing.

Not so with George Sagen, retiring chairman of the Bakersfield College science department. For ten years he has taught at C.A. High School in Bakersfield, California, and for the last six years he has been teaching at Bakersfield College. The last time he taught at C.A. High School was in 1953. He has been teaching at Bakersfield College for the last six years.

In addition, Sagen plans to continue his own defense work. In the past, he has worked with local officials of the Kern County Health Department in determining the amount of radioactivity fallout from nuclear tests which is present in the water and rain in county areas.

Always interested in radioactivity, Sagen was selected to attend the summer of 1954-55 at the American Atomic Energy Commission laboratories at Oak Ridge, Tennessee.

The Old College Try

Not that we want to spoil your enjoyment of the finale beautiful spring weather, but it’s worth mentioning that final exams are upon us. June 4 at 1300, and last for six hectic and pressure-ridden days.

This is one of those weeks when you will have to do a lot of studying, but remember that the main thing is to try your best. Try to remain calm and cool.

The woods are full of people who might have succeeded in college. The important thing is that you, to the best of your potential ability, do succeed in college.

Hurley Shuts Corsairs Out

Baker, Calif.-Celebrating a successful season by defeating the University of Southern California team last week, the Hurley High Corsairs continued their winning streak and moved within reach of a state title on Friday when they defeated the Bakersfield High Bearcats, 7-0. The Bearcats had captured their regional title and were considered the best team in the Valley.

Bakersfield High was held scoreless for the first time this season, the Bearcats offense having scored against Hurley in previous games this season. The Bearcats were unable to capitalize on several scoring opportunities, including a costly fumble near the goal line late in the second half of the game.

Hurley, on the other hand, took advantage of a Bakersfield miscue late in the third quarter. After a fumble by the Bearcats, Hurley's Mike McAvoy, a senior, recovered the fumble 10 yards from the goal line, setting the team up for a field goal attempt. The field goal was good, and the Corsairs took the lead, 3-0, at the end of the third quarter.

In the fourth quarter, Hurley's defense stiffened, and the Bearcats were unable to score. Hurley's offense, led by quarterback Al McAvoy, a junior, and fullback Frank Anderson, a senior, was unable to extend the lead further, and the game ended 3-0.

The win gives Hurley a 9-0-0 record and moves the team into the state playoffs. The Bearcats, who fell to 5-4, will be looking to bounce back in their next game.

Trackmen Seek Fourth Title Tomorrow Night

Reagan Prepares For Final Run

By Paul Milani

The Reagan Track team, which has been preparing for the final run of the season, will be hoping to win the fourth straight title tomorrow night. The team has been working hard all season to prepare for this final run, and they are confident in their ability to succeed.

The team has been practicing hard every day, and they have been working on their technique and strategy. They have also been focusing on their conditioning, and they have been doing sprints, jumps, and endurance exercises to prepare for the final run.

The team is looking forward to the final run, and they are excited to see what they can achieve. They are confident in their ability to win, and they are determined to give it their all.

The final run will be held on Friday night at the San Antonio Sports Park. The team will be facing tough competition from other teams, but they are ready for the challenge.

**Rip Features '58 in Review**

Busy Miss

A "busy" Miss of Bakersfield College this year was Campus Center Co-coordinator, a job possibly filled by any Bakersfield lady. This is because the Miss has been busy in helping prepare this year's edition of the Student Newspapers and is in charge of the Bakersfield College Variety Show this week. The Variety Show will feature all the outstanding performers of the college in a musical and dramatic review.

**Homecoming Celebration**

Kicking off festivities this year at Bakersfield College was the induction of a new tradition, the Homecoming Celebration. Weeks of preparations preceded the Homecoming Queen's reign over BC campus, and a parade of floats and homecoming games highlighted the calm fall time. The Homecoming season ended with top honors by sponsoring both the winning candidate for queen, Sharon Gillard, and the winning float, picture above.

**Rip Sets Record**

The Renegade Rip round handles 67, its year with a new experiment of putting out a paper twice a week. The staff published six calendars during the week-ender period from April 27 to May 16. Wesley Doss Wood, lore historia, Barbara Welsh and Phil Hensel are above with their busy efforts to publish their paper.

**Musical Comedy**

Typical of the outstanding dramatic and musical productions given on campus this year was the musical comedy, "Follies," presented in January. Shown above are the cast of the production, Jerry Morgan, Bob Cortes and Alvin Miller. Other productions this year have included "The Cents a Show," "Double Dutch," an opera by Handel, Shakespeare's "Twelfth Night," and this week's comedy, "Burn's Night." The latter was produced by the student drama club, the Richard Lawrence Players, under the direction of Richard Lawrence, who also directed the production. The show was a complete success, with the audience crowded in the auditorium at the annual benefit performance.

Spikers Get Surprisingly Easy Win in SC Win

Although posts of steel destroyed all hope of records, it did not prevent the Gadsden tracksters from sweeping their first Southeastern Championship from 27 other colleges. Nine Bakersfield men qualified to run in the next meet to be held at Malibu next Saturday. The Bakersfield winners of four major-track titles in the state and underlined the season's claim the best chance ever to win the coveted state crown.

BC Tops Mt. SAC

The teams were turned on Mt. SAC to BC's speedily mile quartet was the same in a record-best time of 3:15.3. Mt. SAC had earlier in the week established a new national feat of the season with 3:15.9. Compton, with 50 points, came nearest to the Bakersfield-total of 79. Permitting favorite, Dan Dierks, took third place with 80 points.

New Mile Mark

Mike Eastman set up a new school record in the mile, taking second place with a new personal best of 4:11.4. Mike Eastman was third in 440 even, he tucked up another second place to the second place. Jerry Park suffered his lone loss this season in the mile but he was edged into second place in the high hurdles by Jim Johnson. The margin of win was so close that both were timed in 15.5.

Broom Takes Honors

Jim Broom rose to the occasion as he took second place in the high hurdles with a height of 59 feet, 9 inches. Other fielders were gaining by Jesse Bradford in the 220 low hurdles, 29.6, and Max Ellis, whose 9.8, 4 in. 3 in. Mark earned him $500 way tie for top honors.

Turner Gets Added Duties

There will only be two changes in the Gade coaching staff next year as James Nau succeeds Gil Bishop as basketball coach, and Jim Turner replaces water polo coach Dick Harms.

Coach Turner, who is also line coach on the football team and swimming team, will be unable to travel with the team as part of a press tour due to schedule conflicts between water polo and football. Tennis coach Walt Trolue will travel with the squad.

Turner Takes Challenge

Turner has accepted the challenge of trying to build the Gade swimming and water polo teams into conference contenders. He has been conducting two high school swimming teams throughout the state trying to attract them to Bakersfield.

A little known fact about Turner is that he has turned down an assistant coaching job at Oregon State. 1957 PCC Conference champ.

Turner typhoids the average coach of BC. Almost every coach has turned down at least one offer from a four-year college. The staff is all working hard to build the minor sports that BC has been traditionally weak in.

Gades Complete a Fine Sports Season

Long Beach laid claim to the Carl White athletic title for the 38 sports season. Close behind posting some strong opposition was Bakersfield, only 12½ points in arrears.

An annual presentation, the Carl White trophy is selected by the Metro college that has commanded the highest and most outstanding aggregations in the field of sports.

The trophy was initiated to honor Carl White, sports editor of the Santa Monica College, an avid Metro Conference follower.

Footballers Corral Many Points, Honors, Wins

by Phil Newlin

Number four national ranking, 28-13 victory in the Potato Bowl, 314 points scored and 97 against with more men on the BC All-American team than any other school in the nation, most men on the all-conference team than any other school, the top four scorers in the Metroloop—these are some of the highlights of the 1957 Bakersfield football team.

Players Develop

Outstanding development of players continued to result in the fine quality of caching at BC. Jerry Tui, Sylvester Cooper, and Ray Jackson, who started the season as reserves, improved to the stature of outstanding performers. Jackson was voted first-string All-American falloff.

Starters turned in the best of the season with Cortes Hill to give the Gades the strongest defensive wingmen since last season. Cooper, after thinking to a speedy 265 pounds, became the big plug in the forward wall.

Jim Nipper, quarterback Jack Tott, center, Glen Twelvetrees guard, and Jackson were aimed to the first string Metro All-star squad and were first, second and second respectively.

Beauty Extends Record

Merton Homer Beauty extended his win-loss record at Bakersfield to 44-4 wins, four losses and 2 ties with the 8-1-1 record of 1957.
