This falls short—this good to the eye. The constructive action the one sitting out the rain session assigning itself to desks. Stresses the importance of whether the support is significant in maintaining the team. The one thing about these —and you can observe the sparseness of the material—this is taking another look at the rain, and the fact that this one is not making the team. The Gade's expected dry run is already shown by the fact that no one different.

Serious Remedies Follow Six Old Secrets of Success

by Mary Kean

Dear someone...!

I thought you'd be interested in my little trick for trying to help you develop a good growth of hair. At least, it works for me. It might help you. You see, I have this little trick I use when I want to make my hair grow a bit faster.

First, I wet my hair thoroughly and then apply a mixture of egg whites and lemon juice. I rinse it off thoroughly and then apply a mixture of olive oil and almond oil. I leave it on for an hour, then wash it off. I do this every day. It works wonders for me. I hope it will work for you, too.

Bye, bye!

Brubake Here This Monday

Dr. Brubake, actually known as the "plan man," will bring his quartet to the Auditorium this Monday night under the sponsorship of the Bloomfield High School Student Council.

Dr. Brubake has an international reputation. He and his quartet will bring a program of original music, of which he will be the soloist. The Dr. will solo on the piano.

Be on the lookout

Dr. Brubake first became known through his interpretation of such pieces as "Berceuse," "Chant de l'Amour," and "Ode to Joy." The Dr. will solo on the piano.

Dr. Brubake is a versatile musician who has composed music for the stage and for the concert hall. He is also a conductor and a composer.

Student to Student

I have been a student for a long time, and I have learned a few things about how to be a successful student. I would like to share these things with you.

First, I would like to say that it is important to be organized. Make sure you have all your notes and textbooks ready to go. It is also important to be punctual. Arrive early for class, and do not be late.

Second, it is important to be proactive. Take initiative, and do not wait for things to happen. Ask questions in class, and do not be afraid to speak up. It is also important to be persistent. Keep trying, even if you don't get it right the first time.

Finally, it is important to be respectful. Treat your teachers and classmates with kindness and respect. It is also important to be honest. Do not cheat, and do not lie.

These are just a few of the things that I have learned. I hope that they will be helpful to you. Good luck!

SHARPENING AWAY WITH YOU - Larry Caldeiwoo, sophomore president, scorns the pleading of Janice Pelleroid as he collects his harem to return to Saturday night's game and the "Harem Hop" sponsored by AMS. Jill Jacobsen looks hopefully while the mob's favorite stow, Sonnie Christie, freshman representative, notes on the proceedings.

Classes To Sell Slaves For AMS "Harem Hop"

Buy your slaves and see them gone! The game and the "Harem Hop" are sponsored by AMS, Jerry Goldwasser, exchange student.

The idea is to sell slaves of any kind. The slaves will be held for 10 minutes and then released. The slaves will be auctioned to the highest bidder.

The slaves will be sold in a series of auctions, with a large audience, held on the school's field. Two slaves will be released every 10 minutes, and the second slave will be auctioned to the highest bidder.

There will be a call for the slaves, with a call to order, and calls to order will be held. The slaves will be auctioned on the field, and the second slave will be auctioned to the highest bidder.

With a 31-2 victory over San Diego behind them, the Gadenes traveled south to Santa Monica this afternoon for a meeting between the two colleges which gets underway at 8 p.m.

The Gadenes, led by the running of halfbacks Lloyd Winston and Pete Barchman, and the passing arm of Pat Young, who was all-Metro second string last year, have the advantage of facing Coach Dave Washington, a 6'2" end, who is the conference scoring leader for his position.

Three Stars

Anchoring the Pirate line at tackles will be Bob Harris, 205 pounds, and Tom Marmoroff, a 223-pounder, both of whom played in last year's Shrine's football game.

The Gadenes opened the San Diego game last Saturday, breaking a 1-0 scoring jinx by rushing 39 yards in 11 plays for six points. A 52-yard pass play from Jack Romine to Enie Reese accounted for the score.

Jackson Dives Over

The second scoring play of the game came late in the second period, when halfback Jack Jackson dived over the last 1-0 margin for six points.

The Gadenes opened the second half scoring exhibition by moving 63 yards in eight plays with Don Hampton going over left guard for a tie and a tackle.

The second half of the period originated from the talent of Jack Washington who booted his third field goal of the season. Romine also accounted for three of the four extra points.

Hampton Again

Hampton scored the second time in the game by going over tackle for six points in the fourth stanza. This time halfback Don Dudley accounted for the score by an eleven yard dash.

The Knights got into the scoring column in the final quarter by downing Terry Hill in the end zone after he recovered a bad pass from center which sailed over his head.

The "Gade" defense was highlighted by excellent end play which broke the back of the San Diego offense by turning the speedy Knight backs into the middle of the line where they were easy targets for the middle linemen.

Non-Splits On Top

After three weeks of competition, the Non-Splits are currently pacing the BC league with a perfect 32-0 record.

High individual score of the day was posted by Dick Adams of the T-Birds with a 210 game to lead the men's division. Bill Bihain of the Flickers tops the girls bracket with a score of 191.

In team figures, the Red Devils have recorded the best series at 1497 and also the top high game 560.
