Dinks Are Symbol of Exciting Experience for Freshman Class

The first week of school started in a fog and ended in a cloud of fog. The fog that crept in on Monday was an act of nature, but the fog that continued was an act of kindness.

Outsiders often have to learn the ropes in college, and the fog was a little help in that department. By Friday and Saturday most of the freshmen were clear of the fog and ready to go.

The town, the university, and the students who shrank with hope and the excitement of college life were all ready for an enjoyable weekend.

**THE BEST GAMES ON the schedule this week were Wests' Remington vs. University, a game of the first and second round of the Remington Cup.**

The Remington Cup is played on the best games of the year. The first game of the year was between the best two teams in the conference, the best in the country. It was a game of skill and strategy, with the top team winning. The second game of the year was between the best two teams in the country, the best in the world. It was a game of strategy and tactics, with the top team winning.

Since when is it necessary that one team win and the other lose? Is it necessary that one team win and the other lose? Is it necessary that one team win and the other lose? Is it necessary that one team win and the other lose? Is it necessary that one team win and the other lose?

There is always room for improvement, even in the best situations.

For example, the enthusiasm of the fans in the first game could be increased. One could do more to make sure that the fans know when to cheer and when not to cheer. The fans should be taught to know when to cheer and when not to cheer.

Thirteen Out-of-State Gade Football Players

With the exception of one end position, the Renegades could field a team comprised entirely of 13 out-of-state footballers from six different states.

Heading the mythical lineup would be sophomore fullback Ray Jackson, the JCC All-American from Waco, Texas, one of the smallest members on the entire squad. Two Nebraska gridironers would probably serve as the halfbacks. Freshman Don Hampton of Las Vegas, who gained over 100 yards against Mesa last week, would be one fullback. Don Churchill from German, the other sophomore on the unit, should operate from the other slot.

Leonard Rochester, who hails from New York and Danny Curtis, Las Vegas, would supply additional halfback support. Both Hampton and Curtis were four-sport men in high school.

Buckeye Jake Rencke of St. Mary's PA., likely would quarter- back the split-T group with Richard Staney from Vestal, NY., providing the depth for that position.

Big Mike Woolf, the 217-pounder from Chicago, would be the center and anchor a good-sized line.

At the guard posts, flanking Woolf, would be William Nuck, offi from Musco, New Jersey, and Anthony Sanlo of Vestal, N.Y. Both liars are freshmen.

A couple of 200-pound players would likely be the tackles. Mike Bunda from Cataraquay, PA., at 228, and Dick Mitchell of Otway, N.Y., at 212 form that combination.

Mavericks Corroled; Cameron Aggies Next

The Interfrat. College Renegades, running away with 42-0 victory over Mesa's Mavericks, will be going for their second victory of the season Saturday night at Memorial Stadium when they meet the Cameron Oklahomas Aggies at 8 p.m.

According to Homey Beatty, the Mavericks will be facing a much stronger squad this week when they meet the Aggies who have won their first two games easily, taking Coos 44-0 and then routing by Range 27-0.

Weight Advantage

"According to early reports, Cameron will be exceptionally strong in the line, a fact, which is amply justified by the 220-pound ruckus Rose Still and 240-pound Jerry Bristo at the tackle positions. The Aggie line aggregates 209 pounds as compared to a 203-pound Gade line." The back are led by quarterback Earl Tinkley, and left half Bill Brown. Tinkley, who played service ball, has been described as a cool signal caller and a smart runner. According to all reports, Brown is the best back on the team. He is an excellent runner and a good passer.

Gades Start Fast

The Gades got off to a good start against Mesa last Saturday night as Ray Jackson rushed off a 42-yard runback of the first Maverick punt, and then scored the first touchdown of the game. A few plays later, in theCarthy.

Schedule Change

Owing to the situation of the Metropolitan Conference Schedule, the Renegades cross-country team has an additional week in which to prepare for their first meet. This is Saturday, Oct. 17, against Harbor, San Diego, and Long Beach.

Aquamann Prepare For Fresno Opener

Jim Turner, head coach of the water polo team, is anticipating a good season for his boys, who have been practicing every morning and afternoon at least three days a week in preparation for the first practice match against Fresno State, here on October 3 at 3 p.m.

"They are all good swimmers and show a lot of enthusiasm," states Turner, in his first year of coaching water polo. The team has been working on passing and distance swimming to build up endurance.
