Dr. Wattron will speak as a speaker in a series of six lectures under the title of Creative Dramatization. Students are invited to be acquainted and to have a chance to become acquainted with the speakers in the series.

Dr. Wattron will conclude his series on May 13 when he presents the Summary and Synthesis Discussion groups.
Apathetic Complacency

Dear Editor,

Practically all evidence of that has vanished. Occasionally one will find a sign on it, or a table on the steps, but everything is incomplete today.

The thing about Campus Center, the pick-up place, the rows of people standing around campus are all remnants of Barack Obama Day.

The little people on campus were practically invisible, but they certainly determined the outcome. In the mourning hours on blithe campus, swarms of people were seen in the dark.

They climbed to the heights of the buildings, crowded the steps, and swarmed about, as if by some magic.

They formed a human sea of people.

Before I write my appointment with my psychiatrist, I would like to make one request. Who are theListItem: the

Sincerely,

M.R.

Convocation Coercion?

Dear Editor,

Due to the liberal attitude of students toward the Comm. I find it impossible to convince the student body of the necessity of attending Comm. In my position as Comm. Secretary I feel the necessity of creating a feeling of importance and respect for the occasion.

(1) I greatly admire the titles of his articles and am always impressed by the students’ ability to use proper abbreviations. (2) It is a language which I believe should be taught in the high schools. (3) I am optimistic about the future of this great institution.

(4) It is absolutely absurd to believe that student interest can be increased by issuing invitations. Dr. Heywood’s ability and dignity would produce positive evaluations in any audience that was present because of its presence in his address.

Scribes Receive Awards at Publication Dinner

The Scribes, the student newspaper, held a publication dinner on April 15th to celebrate the end of the academic year. Among the awards presented were the Outstanding Achievement Award, which was given to Jane Smith, a senior journalism major. The dinner was attended by faculty members, students, and alumni who were all present in the auditorium. The event was notable for the wide range of creative expressions of students in journalism and was a great success.

Goodbye, At Last...

This has been the last year in the history of Canyonville College. In the editor's office, everyone knows that it is really the last year. They always tell us to enjoy it, but to evaluate it honestly, we made a successful effort to find our true selves in the journalism field.

An effective writer's voice is constructive and valuable in our culture. We need our college publications to be given at the appropriate hour. In many cases, our publications are not respected, although they were fully justified. The deadline was the last day of the year. There are a few critical voices of criticism, because the process of criticism is part of the normal growth of our society.

Efficiently, we have gained in student government. One possible solution for future problems is to emphasize students' participation in the making of decisions. Another problem that exists today is that college publications are not respected.

The best way to avoid this is to transfer student government to the Southern California Junior College Student Government Associations. This matter is still a mystery. However, they decided to propose the Constitution for the Student Government. The Constitution provided a Spanish Constitution. We need a student-government leadership on campus, not just in the form of a student governance conference. Space does not permit us to show all the disadvantages that have been mentioned.

In spite of all the achievements, the Board did not have any failures. It is clear that our journalism department is our most effective. After all, we can be sure of something for the future of journalism.

Fricke Named Hoop Aid For Next Year

Robert Fricke, BC history instructor, has been announced as Renegade basketball coach for the 1959-60 season.

Fricke, who served as an assistant coach of this year's water polo team, will also serve under Jim Mau and will be in charge of a freshman team next year.

Before being injured, Fricke played basketball for two years at the University of California. Also an excellent swimmer, Fricke was on the swimming and water polo team at UC for four years, made the second signal on the All-American team and one of the first three finalists in water polo.

Fricke's appointment marks the sixth coaching change at BC this year. Former line coach Jim Tumey stepped down by announcing his resignation just after the Potato Bowl, which it lost to Riverside, 7-0. Tumey, who received "quick coach" from the Riverside Coach, Howard White, was named to a new job by the district office we've faced yet, quit to devote more time to the swimming and water polo team.

Head grid mentor Homer Buttly was named to succeed Tumey in January to accept a coaching position at another school, who compiled a 5-3 record in six seasons at BC. Tumey, lasting his mark on the national BC because of his efforts.

Here's How—Renegade notebook writer Richard Williams shows the farm that earned a third place medal in last Friday's Southern California Meet which the Gades won with 67-1.7 points to 53.7 for Oceanside.

Shaw Splits with Clark As Locals Bag 2nd Crown

Coach Ray Newman's Renegade centermen made their fourth-straight showing a memorable one. Last Friday afternoon at Glenoak's by winning the Southern California Championship for the second year in a row.

By compiling 67.3 points, Bakersfield beat out Oceanside (53.3) and 10 other participating junior colleges.

The 12th and final regular season meet of the year marks the departure for the outstanding national BC.ậnseries with Riverside Clark of Santa Ana in 4-19. Story/led the entire race and finished fourth in front of the previously unbeaten Palos Verdes.

Later the two teams tied 3-3 in the second half of the season, which got the win.

Highlight of the game was the dramatic near the end of the game when the powder was thrown at the referee.

Scoring the team's final decision, the team picked up their second place in the meet with the two teams finishing off the national ranks of the following order: BC, 10-1-3; Palos Verdes, 10-2; Long Beach, 10-3; Santa Ana, 10-4; Fullerton, 10-5; El Monte, 10-6; Fullerton, 10-7; San Bernardino, 10-8; LA, 10-9; and San Diego, 10-10.

The team's only relief was the presence of the referee who was picked up by a BC player on the final field in the final minutes of the meet.

Renaud, who shared the BC's 12th place in the meet, was named to the All-America team.

BIG SCORE—Renegade full back Roy Jackson contributes to one of the year's biggest wins as he scores the only touchdown of the contest in the Renegade 20-7 victory over Riverside in a hard-fought defensive battle.

Renegades Put Together Successful Sports Season

The end of the 1959-60 season marks another successful season for BC in eight of its 12 major sports, with teams, two swimming and track, being acclaimed the best in the school's history. The coaches.

During the football season, BC's Renegade football team, ranked second in the Southern California, won its first Water Bowl appearance in the Renegade 20-7 victory over Riverside in a hard-fought defensive battle.

After a disastrous pre-season, Coach Jim Mau's team regrouped through the conference, but lost the title in the last two games of the season. The Gades ended up with a 14-11 mark for the season and a 2-2-2 Metro League tie.

Thanks to the team's free throw accuracy and total play, he was selected as the most valuable player.

During the spring sports season, Long Beach, topped off with and passed the Gades on the race for the Earl White "Tenn" Mars" trophy. The Renegades placed first in gymnastics, swimming and in the second place in golf, sixth in baseball and sixth in track.

Ray Newman's team had a 12-2 record in conference play.

Dunkers End Short Spring Training

About 35 boys of spring training wound up yesterday afternoon for the Bakersfield College water polo team.

Ten players, minus all members of last year's squad, questioned Jim Turner for the pre-season drills and ended the week in a decent showing the ball. At this early stage of the season was given an early advantage.

In addition, the lineup included the water polo team of Bakersfield, led by Jim Frasier, Lee Noble, Dennis Adams and Adam Williams, with Adam and Jim Wilson, last year's coach. Turner's team was named Conference honorable mention winner for the season.

Because of the closeness of the schedule, the boys were told not to lose effort to report on the team. Jim Nixon lost his bat early in the campaign, but turned in a good campaign next year. Every returner has a year of experience. In addition, the Southern California Lie-
