Gade Band Dons New Uniform for the Fall

The Gade Band will don a new look this fall when they parade in the annual band contest held in the fall. The new uniforms will be designed to reflect the school's colors and to match the band's new spirit.

The new uniforms will consist of a black and gold jacket, white pants, and a gold tie. The jackets will be adorned with the school's emblem and the band's name on the back. The pants will be white with a gold stripe down the side. The ties will be gold with the school's logo on the front.

The band will also wear new shoes, which will be black with gold trim. The shoes will match the rest of the uniform and will provide a cohesive look for the band.

During the contest, the Gade Band will march in step, playing their instruments with pride and enthusiasm. They will be joined by other bands from the area, creating a festive atmosphere.

The new uniforms will not only look great, but they will also help the band to stand out and be more visible to the audience. The band is excited to show off their new look and perform for the community.
