More than 2,650 students will participate in Validation Day activities at Bakersfield College between 8:00 this morning and noon tomorrow.

The long line of people who have come early to avoid the crowds will pass through booths set up by most of the campus class organizations, groups whose activities are centered on a regular part of the curriculum.

Two of the major booths are the financial aid, which will sell Student Body Cards, $12.50 each, and the Sophomore Class table, which will be selling freshman name cards at 15 cents each.

Student Body cards confer on the owner a membership in the Associated Student Body of Bakersfield College, with the following privileges: a yearbook, free admission to all football games, basketball games, musical and dramatic events, and a student accident policy worth $3,000.

Freshman name cards acquaint the sophomores with the incoming students so that the new class become familiar with the campus.

Among the other groups represented at Validation Day are the Renegade Rip, college newspaper, the Raconteur, yearbook, the Renegade Band and Pi Rho Phi, forensics group.

Class assignments and schedules returned during the proceedings.

Club Day' Replaces Validation Recruitment In Board's Decision

Despite an attempt by several clubs to retain the club recruitment program at today's Validation Day activities, the Board of Representa- tives limited new member pro- motion to "club clubs."}

Convening its first meeting of the school year Sunday morning at the Coliseum at Greenhorn Mountain, the board voted to "allow Validation Day recruitment privileges to the Renegade Band, Phi Rho Pi (for- ensics), Delta Phi Omega (College Players), College Choir, Renegade Rip and the Raconteur."

However, the governing body allowed the special club day during Orientation Week, which begins Tuesday. All campus organiza- tions will meet tables to familiar- ize new students with club activities.

Frosh Will Hear Peters, Collins At Assembly

The froshmen Class will meet, for the first time next Friday, at the Freshman Class Assembly at 10:30 a.m. in the Col- lege Theatre.

The frosh will nominate can- didates for class offices, John Collins, associate dean of stu- dents, and Bill Peters, Assis- tant Student Body president, will speak.

Fresh Election Sign-Ups

Sign-ups for freshmen elections which begin Wednesday and end at 5 p.m., Sept. 14, are being held in A-A.

The "coolest" event of the year, the froshmen Frosh Dance, is scheduled Saturday from 8:30 until 12 in the C-101.

Students will have the opportunity to meet new friends and renew old acquaintances to start the fall.

Decisions will correspond with the Frosh theme. According to chairman, Anne Flynn, an igloo will be the center attraction.

Would Kenny and his band will provide entertainment.

Admission is free to Associated Student Body card holders and 50 cents per person to others.

The dance has been planned by the Sophomore Class and financed by the Associated Student Body.

Connelly Urges Early Purchase Of ASB Cards

"All Bakersfield College students are encouraged to purchase their student body cards as soon as possible, according to Jim Connelly, business manager."

For $12.50 students will receive the following benefits: one yearbook, decals to six campus events, games, three social events, 15 home football games, six musical and dramatic events, plus one student accident policy and reduced price in the bookstore.

The cards will be sold today and tomorrow in the library conference area and during the year in the Campus Center Business Office.

Class Officers To Greet Sophomores

"All sophomores are invited to the Sophomore Assembly, Sept. 9 at 10:30 in the Student Lounge of the Campus Center, according to Dean of Students William O'Donnell.

It will be the first opportunity for all sophomores to meet and be introduced to Sophomore Class officers and to Sophomore Class Advisor, Dr. Richard Furr, Jr."

After discussions of class business and the sophomore swimming meet, the typed report will be entertained. Coffee will be served.

Packing Stickers Available Today

Students who wish to park in the College parking lot will need to acquire their Zone C stickers immediately as the information desk in the Administration Building ac- cording to Miss Lily Mosien, sec- retary to Vice President Bums Fin- neman."

Miss will be issued today, to- morrow and throughout the school year.

Students may park in all areas with the exception of Zones A and B.

Dr. Simonsen Will Welcome Students During Assembly

All classes will be dismissed Tuesday for the annual All-College Assembly at 9:30 a.m. in the Out- house campus center.

Dr. Edward Simonsen, president of Bakersfield College which is the student body, John Collins, dean of students, and Bill Peters, Associated Student Body president, will also welcome stu- dents to Bakersfield College."

Although no classes will be con- cluded, uncleared and third periods will be shortened. The schedule follows:

First period—7:30 to 8:22.
Second period—8:28 to 9:30.
Assembly—9:30 to 9:40.
Third period—9:50 to 10:42.
Fourth period—10:50 to 11:22.

Renegade Rip
Court's New Procedure Emphasizes Formality

A new system of handling cases at the Student Court may be in effect soon. The new system is a two-tier system that includes a Student Court and a Student Board. The new system is designed to provide a more formal and structured approach to handling cases, with the Student Court handling lower-level offenses and the Student Board handling more serious offenses.

Instructors' Salaries Increased; Maximum Pay Jumps to $10,210

In an effort to attract and retain qualified faculty members, the college has increased the maximum salary for instructors to $10,210. This is a significant increase from the previous maximum salary of $8,500. The increase is effective immediately and will apply to all instructors in the college's faculty.

Petition Nix Try

Defeated by Board

The Board of Directors has defeated the petition to nix the try-out system. The petitioners had argued that the try-out system was unfair and that a true assessment of talent could only be achieved in a full-blown competition. The Board, however, maintained that the try-out system was essential for the development of the team.

Keynoters To Play at "AW's Touchdown Dance"

Early Proposals Bring Heavy Student Comment

Two proposals concerning the status of parking lots in the Student Center. One, with Article V. (Student parking) of Vignoles, is by Dick Bildor, a sophomore. The other proposal, presented to the Student Council by the vice preside of the Student Council and President of the Associated Student Body (ASB), is by Robert MacDonald.

At present, the amount of parking space within the Student Center is a major problem. Because of this, the Student Council has been meeting and either providing or amending parking tickets for the past ten months. Dick Bildor feels that this trend is only increasing the problem of parking.

Proposal Presented

Robert MacDonald, President of the Student Council, who first proposed the idea of the Student Center parking, met with the Student Council and the City of Santa Barbara. He said that the problem of parking in the Student Center has been a long time coming.

MacDonald does not feel that the present parking system is working. There are too many cars, and people are not satisfied with the present system. He feels that the present system is not fair, and it should be changed.

MacDonald feels that the Student Council should work to better the present system. He feels that the Student Council should work on a group project, and that the students should be involved in the planning of the system.

Phone Help

If you have any questions, please call the Phone Help line at 808.577.5777. They can answer any question you have about the Student Council.

Textbooks I Have Known

One of the main topics of our weekly meeting is the textbook. We want to know what textbooks you have used in college and what you think of them.

The first textbook that I have known is "The Great Gatsby" by F. Scott Fitzgerald. I read this book in high school and loved it. I thought it was a great book and I would recommend it to anyone. I have also read "1984" by George Orwell and "Brave New World" by Aldous Huxley. These two books are also great and I would recommend them to anyone.

Written by the Administration

This publication is being distributed every Monday in the Renegade Rip, an internal newspaper. The comment of the administration on our publication is that we should not publish our opinions on the matters related to the administration of the university.

However, we feel that our publication is an important tool for the students to express their opinions on the matters related to the university. We feel that our publication is a democratic right of the students to express their opinions on the matters related to the university.

Our publication is not related to the administration of the university. Our publication is an internal newspaper for the students to express their opinions on the matters related to the university. Our publication is not related to the administration of the university.

It's a Hard Grind for Gridders

By Phil Collier

Geared for a tough season, the football team is working hard to fulfill the hopes of finishing close to the top of the conference, making the playoffs and winning a city championship.

The team has been working on passing, blocking and tackling. Practice weeks have consisted of many different covers, and the players have been working on offensive and defensive plays, gaining experience in blocking, schematic and protecting the passer.

Dr. John W. Green, athletic director of the school, contacted the team this year, so we feel lucky, he said in an interview. We have good players and we’re working hard to make this year a good year at Bakersfield College.

Dr. Green has been working hard to build the team, and the players are working hard to make the team successful.

At the practice sessions, each player is given a skill program consisting of lifting, stretching, strength and conditioning exercises. These exercises are designed to help the players improve their overall conditioning and prepare them for the season.

In an effort to bring the players together as a team, the team has been working on improving team chemistry. This includes working on offensive and defensive plays, gaining experience in blocking, schematic and protecting the passer.

The Renegades have been working hard to improve their performance and are looking forward to the upcoming season.

BC Has Plan for College Coverage Insurance

Bakersfield College has defined a plan for college coverage insurance to be implemented for the whole student body. This insurance will provide coverage for a variety of college-related issues, including emergency evacuation plans, medical and dental coverage, and property damage.

The policy covers students in the event of a natural disaster, such as an earthquake, flood or fire. It also covers medical expenses and dental care, as well as legal and other professional fees.

The policy covers students in the event of a natural disaster, such as an earthquake, flood or fire. It also covers medical expenses and dental care, as well as legal and other professional fees.

INJURIES HIT RENEGADES HARD

The three games last week played a role in college sports history. The only part of the game that could be counted on was the one involving the Renegade football team. The others were Interrupted, delayed, or postponed. The weather, which was the only thing that could be relied on in the game, was not cooperative. The only game that could be played was the football game against East Texas.

There were several injuries experienced by the Renegades. Among them were two fractures, one dislocation, and several bruises. The dislocation was the most serious, as it involved the shoulder of a key player. The fractures were not as serious, but they were still significant. The bruises were the least serious, but they were still noticeable.

The injuries were not the only problem faced by the Renegades. The weather was also a problem. The game was played in the rain, and the players had to adapt to the wet conditions. The wet conditions made it difficult to control the ball, and the players had to be more careful with their footing.

Despite the injuries and the weather, the Renegades were able to put up a good fight. They were determined to win the game, and they were able to do so. The Renegades were able to take advantage of the mistakes made by the opposing team, and they were able to score several times.

The Renegades were able to come out on top in the end. They were able to win the game, and they were able to do so with a great deal of skill and determination. The Renegades were able to show that they are a tough and competitive team, and they were able to prove that they are worthy of respect.

There were several highlights of the game. The Renegades were able to score several times, and they were able to do so with a great deal of style. The Renegades were able to show that they are a team that can compete with the best.

There were also several lowlights of the game. The Renegades were able to make several mistakes, and they were able to do so in a big way. The Renegades were able to show that they are a team that can make mistakes, and they were able to do so with a great deal of frequency.

The Renegades were able to come out on top in the end. They were able to win the game, and they were able to do so with a great deal of skill and determination. The Renegades were able to show that they are a tough and competitive team, and they were able to prove that they are worthy of respect.
Active Itinerary Planned
By Sophomore Class Council

The Sophomore Council has already started its activity program,
according to Jack, O'Neill, Sophomore President.
Friday, the Sophomore Council held its regular meeting.
Dress meeting, where Junior Winters, representing the junior
women, discussed the matter regarding junior women's
attire for the above-mentioned meeting.

No Regular Meeting Planned for Court

Because of the difficulty in selecting on time, the Sophomore
Court did not meet as scheduled. However, a regular meeting
was held, and President Jack, O'Neill presided over the
session.

School and Art Supplies of Wintage's Office Supply

The Sophomore Council plans to purchase all necessary
school and art supplies.

Recall Should Be Passed

Several complications will have to be resolved before votes
can be cast on the recall issue. The Sophomore Council
has already passed a recall of four members of the faculty,
assuring that the recall was valid.

Career Preparation Goal of Discussions

The discussions which come up in the meeting is open to
career preparation. These discussions will cover such topics as:
upper division classes, future professional possibilities, and
the like.

The discussion will cover such topics as:
upper division classes, future professional possibilities, and
the like.

Kraftsmen Klub Seeks Members

The Kraftsmen Klub is currently seeking new members. Interested individuals are encouraged to join.

Girls’ Recreation Group Organized

A new girls’ recreation group has been organized at BC, providing opportunities for social and athletic activities.

Dr. John Eckhardt, as assistant professor of psychology at the University of California, Los Angeles, discusses the importance of learning in college.

Fire Drills Required

All students and faculty members are required to participate in fire drills at least once a month.

BC’s Tradels and Industries Department has received a state-of-the-art electronic digit computer, which will be used for various academic and research purposes.

Photography

BC’s photography department offers a variety of courses for students interested in photography.

STARS

BC’s student government organization which promotes student involvement and leadership.

Football Fans . . .

BC’s football team is set to play in the upcoming season, and fans are encouraged to purchase tickets for the games.

**Gade Lines**

**Everybody's Wondering...**

By W. P. Pomoloch

With the start of the winter semester, we find ourselves hard-pressed to find time for any serious study. The holidays are over, and we're all back in school, trying to keep up with the fast-paced rhythm of classes. The last few months have been a blur of activities, and now it's time to focus on our studies.

The holidays were a time for relaxation and reflection, but it's time to get back to work. The semester is in full swing, and we're all trying to keep up.

**Good Defense—Oakland receiver Bob Howard (64) is set for another Thunderbirds’ reception and apparently has a three-year path to the Thunderbirds’ record book. Bob Howard, 5-foot 10-inch, 190-pound junior, makes the interception (right). The ball is led to the ground for an interception point, as the Thunderbirds get a convent 7-7.**

**Gades Rout T-Birds in Season Opener**

Robert H. Renegade, looking up in this week’s win of the 30-foot ball game, last night, is helping to keep the Thunderbirds’ dreams of the season alive. Bob Howard, 3-foot 10-inch, 170-pound senior, makes the interception (right). The ball is led to the ground for an interception point, as the Thunderbirds get a convent 7-7.

**Gades Rout Lancers for Second Title**

With one victory to their credit, the Gades have been on a roll all season. The team is looking to build on their success and continue their winning streak. The Lancers have been struggling, and the Gades are looking to take advantage.

**BETTER THAN SHAW?—Elm’Fast Shaw, returning this year for BC, proves he will be a force to reckon with in the Conference. Elm’Fast is a force to be reckoned with.**

**Intramural Bowl Teams Forming**

The Intramural Bowl is forming a new team for the season. The team is looking to build on their success and continue their winning streak. The Lancers have been struggling, and the Gades are looking to take advantage.

**Fortunately, the team has been able to find a new home and will play their home games at the new stadium. The team is looking to build on their success and continue their winning streak.**

Gades Idle: This Week

by Vic Polland

The Renegades now have their two practice games behind them and, after a week of rest, face the tough Metropolitan College teams.

Buckfield was the only team in the conference which began its season two weeks ago, and the experienced varsity teams waited until last week to start playing, and consequently made up for this lost time last week. The varsity coaches saw the BC-Ogdell o-fit.

That plus the fact that to beat the defending national champions would be quite a spectacle for a team, is going to make every game an especially tough one for the Gades. They are very often the biggest men than themselves, so any game will be thought of an innovation.

Several FBC touches, and quite a few Gades were given free shots, that is, not allowed to get their free shots. There were also many free shots off of all the players. The game really held up because of the Gades. Each Gade will have to have a good shot at getting the free shot, two weeks away, so they will probably have a good chance.

Neglected Spots With the time given to football at this time of year, there are other spots that are often overlooked, and water polo and pocc is one of them.

Water polo probably one of the least known. It has about 150 players, and it's played somewhat like basketball. A team consists of six players forward, center, and four backs, if, center, and right guards, and goalie.

The goalie must only defend the net, as the rest of the team can hold the bottom in shallow water or hit the ball with both hands.

The shot of the game is to score as many shots as possible in the 45 minutes around the three ends of the pool. Since the players are not allowed to touch bottom on their shot, this is much harder than it looks.

Some of the finer points of the game are: the center man, who is the only man in whom the player touches, the ball must be thrown and not touched to score a goal.

Center man is participated in forward play, but it is usually the goalie who will be the most experienced in this game. He is the only one allowed to handle the ball. The goalie is supposed to hold the ball and try to throw a great ball around.

Center man is a very important man in the game. He is the only person who can throw the ball to any other player, and the players usually get very little experience in this game. The center man is also the one who handles the ball to score.

Although not as fast and exciting to watch as the other spots, water polo is no less interesting than any other spot. The only problem for spectators arises in trying to see all of the races.

Water Polo Squad Faces Initial Test

It'll be the Buckfield College young against the BC seniors in the college when the Gades and Patriots State College meet. The initial water-potulation of the year for both squads. "Scoring time in the 2:30's.

Several former FBC players now perform for the Phegiles, FBC, in various capacities, but the two teams can come to town today. Warren Sholl,的爱情ren antagonist and a Renegade, and Adams will enter at center for the morning, and feel led to guard in that order.

In addition, Ferrie, too, of the center, has no such thing as a center, and in fact a Renegade, Alex Nudeloff, also enters the field, and will fill the other two guard spots.

Towler also notes that the FBC has one of its strongest teams in many years. They will win the meet, but will face a tough fight.

The goalies alone will be filled by Terry, John, and John, with Nudeloff playing a ten-year man, and David E. Powell, Jr., filling the other two goals.

Towler, commencement, and other men, and Emlen, a flash from Shaker, are to fill the net at Buckfield. They are not the best defense.

The fourth returner, Oscar Nelson, also an ex-Buckfield, will enter with the goal at Buckfield.

JAMESON - Scores: Fresh, 60, vs. Renagades. Jameson projects the scoring at a high score, and will be at the end of the pool. In score, another one-pointer in a realistic practice session, Jameson is set to start against the visiting FBC State College, this afternoon.

Sophomores Over Fresh Splashers

In the annual intercollegiate water polo east last Friday, the Gades were whipped 14-6 by the Providence College team.

High scorer for the sophomores was team captain Tony Atkinson, from WO, who took a couple of goals. He also scored on the center, and penalty, but still his for another 16.

High scorer for the fresh sparrows was a name unknown to the BC coaching staff, who was later identified as the Gades' star.

Since none of the sophomores in the area play water polo, this was the first experience in competitive play for the freshmen.

Gades Push Win Streak To 16 Against Lancers

Last week, the Gades pushed their winning streak to 16 by putting down Padua, 41-9.

Buckfield stationed itself on the points in the first seven minutes, and after that it was 19-9 at half. Steiger play was for 33 yards in various directions, and notes downfield for a TD. Jack Rosske made the first of his 4 PAT's that night.

A few minutes later, Bob Fett passed to right and held Burke for a 7-0 touchdown on the quarter.

The quarter ended with a pass from Lancer quarterback Robertson to the President 52 and the Gades under way early in the third quarter. Jack Jett broke through and field-pile-up. Rosske is ready to turn corner, but needs a block from Dean Newby (12) to make it.

Lakers, Celts in Exhibition at Gym

Possibly one of the best basketball games, ever played in the BC gymnasium, will take place when the Los Angeles Lakers, on their exhibition tour, clash with the Boston Celtics here on October 30.

The Lakers, who recently moved to LA from Minneapolis, will face a tough test, they are the Celtics this coming Sunday.

The game will be played at 3 p.m. at Seattle and Olympic Center.

A large turnout is expected from the BC official, the Boston area, and the Lakers' fanatical fans.

Tickets are $3.00 and $2.00.

They may be obtained at the college business office and at the regular ticket outlets at Buckfield.

Stiger and Rugby

Brifton Gaves Views on Football

by John Hatton

"Jim Stiger would make a good player," said the quiet, re-

laxed teacher, "but more would have to be done with him." It seems that Stiger, a trumpet player, has never lifted a finger on the football field.

"Jack Hutton, a typification of an American's concept of the ideal, conservative Briton, moved to Bick-

field from the South, and has played for the Lancers, a team that has been at the top of most Buckfield games. He has been selected for the All-BC team, and is considered one of the finest players in the conference.

"Of course," he said, "in England, the football season is over, and the team players are not interested in the game. They are too busy with other things to worry about the other team. They don't care about the other team. They are too busy with their own business."

"Rugby is much faster than football. There are no time-outs and the game is much more intense, hence, to most of Her Majesty's subjects, British football is dull and boring.

"There is very little body contact in British football since only the man with the ball can be tackled. However, the game often gets pretty bloody because no pulling is allowed, and the referee is mostly left to his own discretion.

"No athlete is fitter than in England, and all the athletic prowess on the playing field are usually incidental to his education. Even Herb Elliott, the greatest marathon runner in the world, was denied entrance to Cambridge for a year because of his 'long-distance' running.

"Hutton was surprised that a jun-

ior college could draw a crowd in excess of 45,000. 'A school rugby game would never draw more than two or three thousand,' he said.
