Board Discusses Semester Break Possibility; Faculty Members Polled

The possibility of obtaining a semester break was discussed by the Board of Representatives on January 30 as an informal information gathering session. The idea was brought up by Student Government Advisor John Collins. Collins informed the Board that the Faculty Senate had held a meeting during December to consider the idea of a longer examination period between semesters.

Political Geritol

Student government at BC has tried hard. If a current administration were elected today, 57% of the students would vote for one of the candidates for 1962. The Board of Representatives has continued to support the idea of a semester break. If this were possible, it would permit the faculty to explore the possibility of increasing the amount of time students spend in college. If the faculty were permitted to discuss the possibility of a semester break, it would permit the faculty to explore the possibility of increasing the amount of time students spend in college.

A great many problems are involved in running political student campaigns. In addition to the usual problems of recruiting and motivating students, the candidates must also find ways to get their ideas across to the voting public. Prep for Tourney

by Kent Miller

March 8, 9, and 10 are the dates of the Basketball Tournament. Orangefl Jones is the host and Bakersfield (if it wins this weekend) of the Minto Stag; Citrus, Eastern, Female, West, Antelope Valley, South Central, San Jose, Coast, San Francisco, Hancock, Central, and Marin in American Rivers of the Valley will provide the opposition.

Bakersfield, San Jose and Marin were in last year's tournament. The Indians finished fifth, Marin fourth, and San Jose third by beating the game adjustment and the single-elimination play which makes every game a do or die affair.

The Gophers will be a strong contender for the title, but will be forced to play their best every night as any slip could conceivably cost the crown through Phoenix is the logical favorite.

With a burst of flame and a blinding flash that rivals every re- birth of the East in the embryonic mythology of Greek mythology, the Phoenix Jim of College Prep will be the Western State Conference basketball title and may well

through the California State Junior College Basketball Tournament with

a Nancy blazed background.

If this takes place it will be the first time that a team from outside the confines of sunny Cali- fornia has ever won the state basketball title. However, if it is ever to be done the Bears are the team to do it.

As the Bears take the Bear for their women—now considered one of the straws of Sweet Georgia Brown”—also considered one of the straws, the Phoenix Jim can fairly be said to be the arena where a new star has been born.

As to why this will be the first and last opportunity for an out-of- state team to win the Cal title — this is Phoenix Prep's second and last member of the Western States Conference. Last year's — the Johnson-crowned teams finished second to IACC, itself the second best team in the state. Next year the rehashing of the conference will mean that Phoenix will have a much more independent role.

The lack of JC's in Arizona less than advantageous, but, they cannot compare in the state finals next year. To which some coaches can say amen.

But that is quibbling. Here for there five or six teams will be eligible for the finals and may well make be- lievers of many people.

Racquetcheaters Host Fresno In Opener

With Wild Thruster's tennis team will open their season against the powerful Fresno City College swing next Wednesday at 2:15 on BC's courts.

Fresno CC actives are the favor- ies in the rate for the Central Coast Conference, which is gen- erally held by College of Segovia. Segovia has Geography, placed near the bottom of the pile in the earlier meet- ings with a 5-7 record. The team to beat in Men's play is last year's champions.

With the recent rainfall, the BC tennis courts have been a hindrance in practice.

The men's squad will be picked by returningInteresting David Mann and freshman Eric Basham.

The other members of the squad are Alan Benson, Garcia Johnson, Frank Selsh, Michael Fiala, Larry Hallam, and Keith Pryor.

LOOK OUT, TOM, COMIN' THROUGH — David "Deacon" Jones, University of California's roommate, and star of the Ron basketball team, comes down with a rebound in the rllf Friday night with the Gaite All-Stars. Other Rums are high on the virtual hidden by Jones, a lineworker, and full- back Joe Marconi (251). Defending Gophers are Dee Jim Turner, also a part-time coach (541), and John Sellers (171), a 270- pound star. The Ron was leading, 28-25, at the end of the first period.

Across the state line, the Fresno City College team should be a tough match. FCC has several recent blunders even though they field a small crop.

Gades won, except of the meet against COS except for three, the 200 yd. freestyle, 100 yd. free- style, and diving. Gary Stees was specifically conditioned for his per- formance as was George Spear. One win was with team and one win for me. One win for you, and one win for me. This past month has been a tough month for the Columbia Rivers and Fullerton list Fri- day in the BC pool. We've had a good fight, but finally lost, 52-54.

George Spear, Jerry Shutt, and I started the ball rolling for the Gades with a winning time of 2:12,2.

Now it was Fullerton's turn to go for time and we won it with the men's 200 yd. freestyle for the Hornets.

The men's 200 yd. freestyle was close, but Lloyd Beers took it for the Gades in 24 seconds.

Then Fullerton came back with a winner when Bailey took the 100 yd. freestyle in 55.9.

Spear won the 200 yd. butterfly in 2:12.4, which put the Gades back into the lead.

Spear and Bailey were the winning combination.

The Gophers won the diving contest, 97.50 to 63.50. The BC men were in day 2.11.4.

In the 200 yd. breaststroke, St. won the distance in 2:41.9, while BC's Roger Eros took third place.
