Oust the Finance Committee?

The Board of Finance is the one branch of government which is really under the control of the city. The Board of Education is elected by the people. The Council is elected by the people. The Mayor is elected by the people. The City Manager is elected by the people. The Board of Supervisors is elected by the people. The County is elected by the people. Our council president is elected by the people. The only thing that is not elected by the people is the Finance Committee.
