Fiedler Concert at Civic Auditorium

Arthur Fiedler, conductor of the Boston Pops Orchestra, will be conducting the Yosemite Symphony Orchestra from Japan at the Civic Auditorium, Oct. 9.

The program is being sponsored by the BC student body, and tickets are on sale at the business office. Prices, at a dollar discount for BC students, will be $1.50, $2.75, and $3.50. Profits from the performance will go to the student body fund.

Fiedler made his first guest appearance with the Yosemite Symphony Orchestra in 1965. He joined a long list of conductors to head the orchestra including Sokolowsky, Copland, Khatchaturian, and Schmitz-Boiesides. Fiedler conducted nine symphonies in Japan, then suggested the orchestra join him on an eight-week tour of North America.

Sokolowsky

Piano "soldier" Music "hero" Amuraba, invited by Fiedler to join the orchestra in its debut tour of the U.S.

The program is two piano trios, the Trio No. Two in B flat major, K. 502 by Mozart, and the Trio in C minor by Beethoven. The featured instruments will be the violin, violoncello, and piano. Playing the violin is Rebecca Brooks; Nathan Gershman will play the violoncello, and Dale Brooks will play the piano.

Nathan Gershman is a free lance professional from Los Angeles. He was a conservatory student at Curtis, one of the best music conservatory schools. Gershman played with the Cleveland orchestra for eight years. He played on the Andy Williams show last year and is currently playing for the Dean Martin show. He is more than willing to donate his time to play for music concerts.

If you cannot make it to the 12:30 performance, there will be an open rehearsal at 11:30 a.m. the same day.

Garrett, Pruitt Debate Vietnam

Vietnam-Supporters of "No" will be the first topic of a series of programs sponsored by Alpha Gamma Sigma this year.

One of the members of the Garrett and Pruitt debate team, Dave Edwards, will oppose Mr. Pruitt and Ann Bradbury in the Student Lounge on Wednesday, October 11, at 1:30.

The program should be especially good since Mr. Garrett is a vivid supporter of CWC which plans to send a peace delegate to the 1968 Democratic convention.

Mr. Pruitt has been affiliated with the Marine Corp for many years. In November a discussion of poverty, its problems and programs is scheduled.

Rac Will Change In Format Says Rosica

"The 1968 Racecourse will be a complete change of format from last year's magazine style yearbook," announced Bill Rosica, editor.

"This year we will once again have club pages and cover other student activities in the traditional fashion."

Each club has been allotted space in the Rac. Five dollars will give the club one-half page, ten dollars entitles the organization to a full page and $30 is the cost of a two-page spread.

"Eight color pages are planned in this edition, a cutback from last year's," said Bill. However, an additional eight pages will be added to the 68 Rac to have 200 pages.

Editor Needed

-Senior/majors-although they will appear in black and white in the yearbook, will be returned to the students in color from the studio. The official yearbook photographer is Bories, rather than Geers as in previous years.

"We are in desperate need of a photographic editor," Bill said.

"Any student interested in this position is urged to come to the Rac late this year in the Recreation Building of the Campus Center."

This year's staff includes John Fowler, copy editor; Nancy Jacob, business manager; Rebecca Phillips, associate editor; Trudy Hodge, organizations editor; Raymond Partain, photo editor; and Jody Brody, typesetter.

'Nobody Waved' Shown Today

"Nobody Waved Goodbye," shown at 3:30 and 2:30 p.m. today in the outdoor theatre projects the love affair of a teenage boy and girl, and the problems they face in today's society.

The story was written and produced by Don Owen, with Roman Krutler's help.

It is a semi-documentary filmed on location; the actual sounds of the location being recorded with the dialogue.

The film has been acclaimed by the New York Herald Tribune and the New Yorker.

Gades Pick Falcon Feathers Tonight After Lancing Knights 26-6

By Jerry Stuzy
The highly-touted Bakersfield College football team was given the chance to dominate against the visiting San Diego City College team, Friday night at Fortuna Stadium.

A DC student, the winning score, was mentioned that some player from the San Diego City College Knights was stopped at the 40-yard line. The Bakersfield College Falcons started in the second half of the game, and San Diego what to do as San Diego lost five points, but the Falcons were able to hold the Knights in the high school team.

The Falcons outgained the first 60 with quarterback Nick Williams connecting for 13 TD passes.

The DC field was marked by the San Diego defense, starting with John Tarver, a 25-yard pass along with his former teammate, the other yard. The Falcons started the game and San Diego made a 50-yard punt. Their punter, who had been held in the next 3 sacks, by the Falcons.

On San Diego's second play, the ball was handled on a handoff to the Falcons' quarterback, John Tarver. He then passed the ball to the Falcons' running back, Nick Williams, who ran for a 50-yard touchdown.

The Falcons defense came back to stop the Falcons offense for the final 3 sacks. Sanders and Gades were able to hold the Knights in the high school team.

High Point

The Falcons were able to make the lead 26-6 before the half. After the half, the Falcons continued to play well, and got the lead to 31-6 before the end of the game.

The Falcons defense was able to stop the Knights offense in the second half, and the Falcons were able to hold the ball for the rest of the game.

The game ended with the Falcons up 31-6. The Falcons had a total of 13 points in the game, and the Knights had 6 points. The Falcons were able to hold the ball for the rest of the game, and the game ended with the Falcons up 31-6.
We're Number One

In case you haven't noticed, Bakersfield College has had the number one junior college football team in the nation for the past two weeks, according to the JC Gridiron.

Last week at Convis, the Renegades proved why they are number one in the nation when they clipped the number two team, the Falcons, 27-10.

Some 2,000 spectators came eager to see the "Gadgets" travel over 120 miles to see the Gadgets play in a strange setting in what was billed as the possible game of the year for the JC Gridiron.

Here at Bakersfield, what is happening? Almost nothing.

A meager 10 or 12 thousand spectators have turned out to see the most exciting game of the year that might become the previous games were not in the Metropolitan Conference, or if they were, they haven't been played or that the playing season had just begun, but none of those reasons hold now.

---Tomorrow night the "Gadgets" will take on another formidable Metropolitan foe—East Los Angeles. The Huskies last week crushed Santa Monica, and it looks like this year they have an outstanding team.

Glory Collins, graduate from our own, received a recognition from the start, they have played despite student apathy, etc. a pitiful turn for the football rally and they have come out on top.

It is about time students united behind our fine team. At least time students began to care about BC. It is long overdue for Memorial Stadium to be packed to the limit and that every student come to the game.

So now, if this talk has talked your mind to the game, let me remind you that as a student, you have the privilege to sit in the seating section with all the scholars from the Renegades. The roasting section has been changed so that in rows 1-20 between four to five only those students with red or white will be seated.

If you want the proper color, you can sit in the seating section. If not, that's too bad, but still come to the game. Let's prove to the football team in the nation that we are the finest student body in the nation.

Viet Nam Debate Raises Questions

By Joett Woll

BC announcer, Cliff Gillett, a Bakersfield, N.C. native, who is responsible for the radio coverage of the game in stereo, has a few ideas on the happenings in the South during the next few years.

Viet Nam is the "dark horse" when it comes to a country which is just developing an economy.

President Johnson's "peace" policy has been a "false start," according to Mr. Gillett. The present policy is to keep the "peace" policy and continue the war until the country is "thrown out of the ring.

HURKIS BREAK UP ON A CHANCE

Los Angeles, what's that? "To see the attitude around Radio City. A couple of guys was overheard saying, "How do a Rinko Dinko team like the Huskies, men, we are the top, number one. But, after losing the Knights, breaking Rinko horns, and plucking Falcon feathers, what do we call ourselves?" exclaimed the proud Gaufie.

The answer: "Confined our efforts!"

Sure, we beat Cerberus, Roni rated second in the Metropolitan Conference but that doesn't mean Los Angeles will be a gold crown. A lot last year's metro champions, Bonita Marcie 49-24 Saturday.

Sure, you number one but buckles rated second is right behind us and we must remember how easily the Falcons dropped out of the top ten in two ratings.

Yes, you number one and we will stay number one all the way to the state playoffs if we don't get penalized by the players disease—Cuckoo-

R.C. FLOWER PIPE TOBACCO READ BY HIPPY-

Recently, the Baskind Californian made the statement that a Hippie-looking Charlie had had his go.

Our Yell (ladies was needed. Isn't a Yell leader supposed to be noticed in order to get the girls attention?

One having the crowd's attention, won't he be able to fulfill his purpose of getting the crowd to yell their team to victory better?

Our so-called, "Hippie Yeller" achieves this purpose every Saturday night. With his beard and sand- le-his a sensation when sports are on, an enigma during half time, and a boisterous star when the Gaufies are trailing. Our so-called, "Hippie Yeller" without a beard would be like Jack Benny without his violin to his Gaufies.

Besides, it is right and proper that a so-called, "Hippie-looking Charlie" lead our yell since the BC crowd is a flower child at heart. A flower child is that they are.

After two straight wins to boost their season, El Dorado, 20-0, and Long Beach, 27-27, the BCC Mermen gained another victory Sunday when they defeated the Road Runners, 48-0. Although this is only the Mermen’s second game in the Metro Conference, they have started strong. Students from an area which has produced many outstanding players have shown that they can be formidable opponents. The victory during Thursday’s game for BCC will make the Mermen hopeful for a better season.

Relative Aggression

By JOSE GONZALEZ

This month, I stopped by the Chi- no Center and saw the Seventh Floor Play- off Round going on. They were playing a game called "Relative Aggression." It seems that the game is played by teams of students who are assigned to different rooms. The teams are divided into two groups, and each group has a leader who dictates the actions of the other group. The leader's commands must be carried out, regardless of the consequences. The goal of the game is to outsmart the other team by giving orders that are difficult to carry out. Players are eliminated for giving orders that are impossible to carry out or for failing to follow the leader's commands.

THE FOX

The game is called "Relative Aggression" because it focuses on the relationship between the leader and the followers. It highlights the power dynamics and the potential for abuse of power in any organization. The game can be used as a tool for teaching about leadership and decision-making processes.

Tradition Be Damned

Bakerfield College, being the second oldest JC in the state of California, has a number of traditions which it would be difficult to do without.

One of these traditions include a high school football game, the annual meeting of the student body, and the football season's event, the annual meeting of the student body. The administration's decision to eliminate this annual meeting has been taken.

As a result, the administration has been forced to take a number of steps to avoid a possible strike. Among these steps are the following: a new meeting was held by the administration, and the students were notified of the decision.

The administration has also taken steps to eliminate the annual meeting. These steps include the following: a new meeting was held by the administration, and the students were notified of the decision.

The administration has also taken steps to eliminate the annual meeting. These steps include the following: a new meeting was held by the administration, and the students were notified of the decision.

John Hernandez, a member of the administration who supported the students, noted that some students were very disappointed with the administration's decision.

The administration has also taken steps to eliminate the annual meeting. These steps include the following: a new meeting was held by the administration, and the students were notified of the decision.

It is not clear how the administration will proceed with the elimination of the annual meeting. It is possible that the administration will continue to take steps to eliminate the annual meeting. It is also possible that the administration will take steps to avoid a possible strike.

14-0 Vikes Lead Half-time

Kennedy, Mears, Put ‘Lucky Charms’ In 4th
As Gades Edge Vikings 21-20; Rio Hondo Next Foe

Call it luck on the part of Bakersfield, call it skill on the part of Merry Collins’ gridders to pull it off in the second half for a come-from-behind victory, and a high rate of heart failure among fanatic fans—but what ever you call it, the Gades are still number one. Tonight they travel to Rio Hondo to rip the Road Runners, hopefully, for their 6th consecutive win this year, after squeaking by a tough, punt-minded Long Beach last week 21-20.

Good Passing Puts Gades Behind

The first half found the Gades running true to reputation when they went to the showers boasting a 14-0 deficit. The primary reason was a freshman quarterback from Long Beach named Dennis Dumont who ripped the “Big Red” apart with his pinpoint passing.

“The Vikes let it be known that they were out to get the high team on the totem which they got the ball the first time. Four destructive passes was all it took to give them the first taste of pay dirt. The score came when Dumont passed a bomb to Kenny Mayfield in the end zone. Jim Fling made a fantastic effort and blocked the PAT to make the score 6-0, Long Beach.

“The Gades almost made a score of their own in the second quarter when Carl Smith got a 23 yard drive going, however, it ended with an incomplete pass to Dave Xeyer in the end zone.

Paydirt In 3 Passes

The Vikings came steamrolling back to score another TD after Richard Keller intercepted a Smith pass on the 17. Dumont started his destructive passing again to reach pay dirt in only three passes this time, 12 yards to their highly-prized and Terry DeKraal, 21 yards to Wilkes, and the 6 pointer to DeKraal, and end zone. Mayfield caught a 2 point conversion pass to put the Vikings ahead 14-0.

Long Beach started another drive before the half ended which resulted in another touchdown on a perfectly executed screen pass, but it was called back on a penalty for an illegal receiver down field.

Gades Get The Ball Rolling Bakersfield, at the start of the second half came out and started a touchdown drive. Then with the ball on their own 20 they started to drive again after Kennedy had moved the ball from his own 2 yard line for a TD making it 14-6.

With time against them, they couldn’t afford to waste any so they steamrolled the 80 yards in 6 plays. Nigos galloped 16 yards up the middle, Tarver hardened over for two, Kennedy tossed to Costello for 15 more, and Lindley James caught another for another stubborn 23 yards. Finally, with the ball resting on the Long Beach 6 Kennedy liked a handoff to Tarver and stood watching nonchalantly with the ball hidden against his hip as the Viking defense smeared his fullback. Then he sprinted around to cross the goal standing up. The next play he added icing to the cake by carrying the ball over for a 2 point conversion to tie the score up 14-14.

These minutes later they got the ball again on the LB 40 and picked it over for the third score. Chapman’s PAT made it 21-14, Bakersfield.

They Gambled and Lost!

Long Beach came back to score another 6 pointer with only ten seconds left on the clock, and then gamlied it all on a two point— and lost, thanks to a great defensive effort by John Mears, who knocked down Dumont’s intended pass to DeKraal.
