PARENT AND TEACHER

As the snow falls and the calendar moves toward the holidays, so do the jewelry stores. Some people like to shop for jewelry and other gifts at this time of year. This includes rings, necklaces, earrings, and other pieces of jewelry. The stores are typically decorated with large display windows to attract customers. The jewelry is displayed in cases, on tables, and sometimes even on mannequins. Customers can browse through the displays and find the perfect gift for someone special. It's a great time to find deals and discounts on jewelry as well. So if you're looking for a gift, consider visiting a jewelry store this holiday season!

SEASON RUNS OUT

By Phil Garcia

The BC Renegades never really had a chance at a post-season run this year. With a 3-9 record, the Renegades couldn't find their groove all season long.

But in the last game of the season, the Renegades showed a bit of promise. Against the Evergreen Eagles, the Renegades went into halftime tied at 21-21. In the second half, the Renegades fell apart, losing 49-37.

"Our season is over," said coach Bob Baker. "We just couldn't get it done."
