18-Year-Old Vote

To the Editor of the Renegade:

Vote for the 18-year-old polling and election initiative. Talk about participatory democracy! Legal adult? That’s a long way with the young people of the 1970’s. Make sure to organize the young people and show you care more about them than your political party. The initiative will make a difference in the community. It’s a big step in the right direction. It’s time to show the young people that you care about their rights.

Sincerely,

Dear Editor,

I was very excited to see your article about the 18-year-old voting initiative. It’s a great opportunity for young people to have a voice in their community. I’m working on organizing a group of young people to support the initiative. It’s important to get out the vote and make our voices heard.

BACK OF THE BUS

Editor’s Note:

I want to take a moment to address the issue of the “back of the bus” policy. It’s important to recognize that this policy is outdated and unfair. People of all races, religions, and socio-economic backgrounds should have equal access to public transportation. We need to work towards a policy that is inclusive and fair.

RENEGADE HOOPSTERS BEAT STATE CHAMPS

It was an upset to beat all the odds, but that's what the Renegades did when they upset the Pasadena Flashes in the state championship game.

The Flashes, a team that had never lost a game this season, were expected to win easily. But the Renegades were determined to prove their worth, and they did.

The game was close throughout, with both teams showing great heart and determination. The Renegades prevailed with a 75-73 victory, sending the Flashes home empty-handed.

Coach Mike Smith was thrilled with the team's performance, saying, "When you work as hard as we did, and stick together as we did, good things happen. We proved that tonight."
