Comedy of Errors
First Production of the Year

By Else Horton

Three out of four acts of the Six Nations Valley Community College's first full-length play, "Comedy of Errors," were performed for the first time at the college's auditorium on Tuesday afternoon. Directed by Professor William Walter, the play was written by British dramatist William Shakespeare and is considered a "classic of the English theatre."

The performance was well-received by the audience, who laughed and smiled at the various humorous moments throughout the play. The actors were able to engage the audience with their interpretations of the characters, and the overall production was impressive.

The play follows the misadventures of two sets of identical twins, Antipholus of Ephesus and Antipholus of Syracuse, as they navigate the complexities of love and identity in a world where mistaken identities abound.

Valley Students Now Able to Skip Districts

New Admissions Standards Set For State Institutions

The California State Colleges and the University of California have coordinated a new common admissions program which will expedite the processing of undergraduate applicants for the 1973-74 academic year.

Under the program, all students will be admitted to one of the state's public universities or colleges based on their high school graduation date and their cumulative high school grade point average. Students who meet the minimum requirements will be admitted to the institution of their choice, and those who do not will be placed on a waiting list for admission.

This system is designed to make the admissions process more efficient and to ensure that all students have an equal opportunity to attend a public university or college in the state. The program is expected to save time and resources for both students and institutions, and to increase access to higher education for all Californians.

Remind me to return to the Los Angeles Times section on Saturday, as I have not had time to check it yet. It is of utmost importance to the state of California, and I cannot afford to miss any information that may be relevant to our discussion.

Student Opinion
Alters RAC

There have been some changes made in the RAC faculty, according to several sources, which may alter the student view on the issue. These changes may affect the standing of the RAC faculty and their ability to influence student opinion.

SAT and ACT Test Sign-ups Due

The deadline for students to sign up for the SAT and ACT tests is approaching quickly. Students should ensure that they submit their applications by the specified deadline to avoid any potential complications.

RAC will soon be hosting a special event, and students are encouraged to attend. This event will be an opportunity for students to learn more about the organization and its goals, as well as to meet some of the key members.

In case of any questions or concerns, students are encouraged to contact the RAC office or the faculty representative directly.
AVS vs LBCC

In a continuing battle of the student body, the traditional annual fall game was held at the College Cafe. The game was played to determine who would win the coveted title of "Best Dorm." The games were held on the main stage in the student center, and the audience was filled with enthusiastic supporters for both teams. The game was intense, and the crowd was on their feet cheering for their favorite team. The final score was 25-15, with the AVS team emerging victorious in the end. Congratulations to all who participated and made the event a success.

Campus Concern

Apathy vs Tradition

The POES-IRA

Senseless Ritual - HC

The POE-IRAS and the HC-IRAS are two student organizations that have been at odds for years. The POE-IRAS is a group of students who believe in traditional values and the importance of maintaining them. The HC-IRAS, on the other hand, is a group of students who believe that these traditions are outdated and should be abolished. The debate between the two groups has been intense, and it has led to a senseless ritual that is now a part of the school's culture. The POE-IRAS has been trying to stop this tradition, but the HC-IRAS has refused to listen. The situation has caused a lot of controversy among the students and has led to a senseless ritual that is now a part of the school's culture.

BC Students' Comments and Reactions

The situation has caused a lot of controversy among the students and has led to a senseless ritual that is now a part of the school's culture. Poet's Corner

THE PROFESSOR

The professor is a respected and beloved figure on campus. The students love to hear his stories and his wisdom. The professor is known for his eloquent speech and his ability to make even the most difficult concepts easy to understand. His lectures are always well attended, and the students leave feeling inspired and motivated. The professor is a role model for the students, and he is admired by all for his dedication to teaching.

Club Activities

Environment Information:

Change in Ideas

The environment has been a hot topic on campus, and the students have been pushing for change. The students have been organizing protests and marches, and they have been demanding that the institution take action. The administration has been slow to respond, but the students have not given up. They have been persistent, and they have been making their voices heard. The students have been successful in their efforts, and the institution has begun to take action. The students are happy with their success, and they are looking forward to the future. The environment has been a hot topic on campus, and the students have been pushing for change. SPRINTS OF THE 70's

Successful Homecoming Theme

BY WALTER GAGEL

Homecoming Day at Bakersfield College was a huge success over the weekend of Sept. 28-30. The activities were held at the school's fieldhouse and at the college's gymnasium. The theme of the event was "Spirits of the 70's." The Student Council sponsored the event, and the Student Activities Council was in charge. The activities included a parade, a football game, and a dance. The Student Council also sponsored a talent show, which was held in the college's gymnasium. The event was well-attended, and the Student Council was pleased with the results.

BUY SOUL!

42 SUPER SOUL SOUVENIRS

BC Student Leaders to attend Symposium
DEAR OWL

AMES NOTES TO EDITOR (JULY 1970)

A lengthy and growing political campaign by your ever steadfast students last Friday. I am writing to you express concern to the students of Berkshire College that the increasing and increasing of the energy crisis.

The energy crisis is a political problem, and it deserves to be treated as such. The students of Berkshire College should be involved in the process of decision-making on energy policy, and not just left to be passive spectators.

Student Rebuttals

By Richard Winter

I AM BLACK

I am a concerned black student at Berkshire College. The race of Jenifer Johnson, who is running for office on campus, is not an issue for me. Jenifer has proven herself to be a capable and responsible leader, and I am confident that she will continue to serve the students of Berkshire College with integrity.

She has been involved in numerous campus organizations and has shown a strong commitment to social justice and service. Jenifer's leadership style is inclusive and collaborative, and she has a proven track record of successfully completing projects and initiatives.

I encourage you to consider Jenifer Johnson for office on campus and to support her campaign. Together, we can work towards creating a more equitable and inclusive campus community.

MARY ANNE STEELE

* Baseball is a game of four bases.*

* I'm not a big fan of the game, but I do enjoy watching it from time to time.*

* It's a sport that requires a lot of skill and strategy.*

* I think it's a great way to stay active and have fun.*

* Have you ever played baseball before? I find it quite challenging.*

* It's a game that has been around for centuries.*

* Do you have a favorite team or player? I'm a big fan of the Yankees.*

* Have you ever attended a baseball game? I've been to a few and they're always exciting.*

* I hope you have a great game and enjoy the rest of your day.*
HARRIERS, GRIDDERS ZERO IN ON STATE BERTHS

Warriors Collide With BC Grids

by JAY ERSKINE

The Harriers' success did not seem to make much of an impact as the Warriors and the BC Grids met in a match that decided the fate of the BC Grids in the state championships. The Harriers, with a record of 7-3, played against the BC Grids, who had a record of 5-5. The game was tightly contested, with the Harriers leading 14-7 at halftime.

"The Harriers were a tough team," said Coach Johnson. "They played a solid game and kept us on our toes." The Harriers' defense was strong, holding the BC Grids to a total of 10 points in the game. On the other hand, the Harriers' offense was equally strong, scoring 22 points.

"The Harriers have been playing well all season," said Coach Johnson. "They have a good mix of experienced and young players." The Harriers' next game is against the California Grids, who are currently ranked third in the state.

Coveyemen in SoCal

by JOE SHARKEY

The Coveyemen of SoCal played against the Harriers in a highly anticipated game. The Coveyemen, with a record of 8-2, were looking to improve their standing in the state championships.

"The Coveyemen are a tough team," said Coach Johnson. "They have a solid defense and a strong offense." The Coveyemen's defense was strong, holding the Harriers to a total of 10 points in the game. On the other hand, the Coveyemen's offense was equally strong, scoring 22 points.

"The Coveyemen have been playing well all season," said Coach Johnson. "They have a good mix of experienced and young players." The Coveyemen's next game is against the California Grids, who are currently ranked third in the state.

For more updates on the Harriers and the Coveyemen, check out our sports section every week.
Tip Toe Through El Camino — Hilltop True, off his way to a 132-yard, perfect start named El Camino, does a belly dance with the assistance of a couple "Warriors" defenders. RIP photo by DAVE NELL.

From 'Gades p. 1: the air and the pass in Bob Blackard was good down to the ten. On the second play, Jim Sturbridge faked into the line and then, rolled left for the ten yards and the touchdown. Rick Hancock kicked the 20 yard field goal left in the half to put BC down by seven. After the kick was away, the Warrior line charged. Hancock, breaking through, made a few dime store shots.

The first BC kick in the second half, they scored, "looking like a different team after the intermission. Drury from the 20, the Gades traveled the distance in six plays with Craig good on the last 11 yards for the score. Mark Honour converted the kick at 5:58 in the half to tie the score.

After the BC kickoff, the Gadsden defense stopped the T. A. N.

FORMER BC STUDENT TO PERFORM

Stephen Pollockson, a former baseball player at El Camino, will return to campus next Thursday, November 24, to perform contemporary poetry readings. The program, to be held in trays 1, 2,000 in the Library at 1:00 p.m., will be complemented by a number of mugs, poe~sions and literary works of Bob Dylan, Allan Ginsberg, Frank O'Hara and E. H. Ether. Pollockson, now living in Palos Verdes, Calif., was well known as a literary political and philosophical figure.

Environmental Lecture Series to End Soon

by Steve Weber

"Pulmonary: The Problem and the Right"

the subject of Tuesday night's Environmental Lecture Series at Fresno West.

The speaker, Dr. Norrin K. Sanders of the University of California at San Barbara, was primarily concerned with the response of man and the coastal air. Sanders vivid the need for public participation toward maintaining the environment. Having presented a study in the fight against the oil companies involved in the Santa Barbara oil and several other projects, Sanders had an extensive "data bank."

During the 16th U.S. Senate ordered the need for such services and the means of doing it. "Small groups are the key," he stated. "The big organizations still have their lands to protect and the money to do it. Even the small ones are the people who say, 'I don't care if it's 100 acres or 1000 acres. I want to do it."

The win of an oil company may be more important than the numbers. Sanders added a discussion of the future in the fight to keep the environment safe.

The program was very well attended and promises to attract more credit for the wonder of natural beauty, the beauty of the environment itself. This will be the last in a series of short "environmental" lectures.

Only two more weeks of lectures will be given before Dr. Stephen Karp and Thomas King KHAB Lakeview, CA 93211/913/977/3324/3249 meet.

On the subject: ‘The Limits of the Environment’ at 7:00 p.m.

The people who take a load off your stomach now take a load off your feet.

Alka-Seltzer® Always helped being done your feet— a lot from your own to eat or drink. Now you can take a load off your stomach and have a load off your feet. Just take it on the foot. It’s $1.00. That’s it. All you need is an Alka-Seltzer®. It’s easy. It’s simple. It’s always there for you. You can get it at the store. Let your feet feel like you are walking in a valley. A load off your feet. It’s a load off your stomach. Let your feet do the work. It’s a load off your stomach.

Now we can help your feet get along...
