Fall registration now underway

FORD IN BAKERSFIELD: President Gerald Ford told last week of his county residents to support the proposed waterworks at Mountain View Field Monday, March 21. Ford stopped in Bakersfield to deliver his talk to be his third, where he promised that the project was a "no-brainer." By K.R. SCHOENHOLZ

March of Dames at Watchman Park

Sunday, April 23 is the date for the March of Dames at Watchman. The event is a stroll in support of the American Cancer Society. The walkathon will be held in the city's downtown areas to raise money for cancer research. The information can be obtained from the organizer of the event.

The walkathon is a 5K event that begins at 9 a.m. at Sundance Park. A walkathon's sponsor can be a friend, neighbor, or group, who pledges a certain sum of money to the March of Dames for every mile that is walked.

BC forecasts students to compete in nationals

Five BC students came away with high awards last weekend at Fresno City College's Regional Meet in the team's favorite categories.

Jennifer Davis, a beginner at the time of the competition, can now say she is a national champion. She took the title in the "flat Iron," a Filipino folk dance featuring sandals and an ABS baton.

Jennifer Davis and Viviana McClure, both BC students, were instrumental in the team's success.

"Our leading dancers decided that we had to put everything we had into it," Davis said. "We trained hard; we brought our best, and the team brought out a great performance."}

"We're one of the few teams in the region that have won this event," Davis said. "We've been training for this for a long time, and we're very excited to be here."

No ASB card, no vote fulltime students

 According to a recent survey, 75% of students in the downtown area are not registered for ASB. This study was conducted to determine the number of students who are eligible for a fulltime student vote. The survey was conducted by a group of high school students who investigated the area where they post. The results of the survey indicate that only 25% of students in the downtown area are registered for ASB. These results are alarming to some students who believe that the lack of students registered for ASB is affecting the quality of student life in the downtown area. (continue reading)

Mason's Insurance

CNP not babysitters

An appeal against the decision of the Mason's Insurance Company to act as babysitters for children in the downtown area has been filed with the city council. The company's decision to provide babysitting services was made after a recent increase in the number of children in the downtown area. The city council has been asked to consider the appeal and to make a decision on the matter. (continue reading)

New RIP editor sought

Applications for the position of News Editor for the 1975-1976 school year are being accepted. The position requires a strong commitment to journalism and writing.
Complete knowledge of marijuana needed

I know first hand that it is hard to turn to the issue of marijuana and to do it right. As a journalist, I find myself faced with the task of writing about marijuana and the issues surrounding its use. This is an important issue, and one that deserves our attention.

I believe that the key to understanding marijuana lies in the careful study of its effects on the body. The body responds to marijuana in a variety of ways, and these responses are complex and varied. One of the most important responses is the body's ability to absorb and process the drug.

Marijuana is often described as a "high" or "buzz." This is because the drug affects the brain in a way that alters perception and alters consciousness. However, the effects of marijuana on the body are much more complex than this simple description suggests. The body responds to marijuana in a variety of ways, and these responses are complex and varied.

One of the most important responses is the body's ability to absorb and process the drug. The body absorbs marijuana through the lungs and the digestive system, and it is then distributed throughout the body. The body then processes the drug in a variety of ways, and these processes are complex and varied.

One of the most important processes is the body's ability to break down the drug into smaller, more manageable pieces. This process is important because it allows the body to absorb and process the drug in a way that is not harmful to the body. The body is able to break down the drug into smaller pieces because it contains a variety of enzymes that are capable of breaking down the drug.

Another important process is the body's ability to absorb the drug. The body is able to absorb the drug because it contains a variety of receptors that are capable of absorbing the drug. The body is able to absorb the drug because it contains a variety of receptors that are capable of absorbing the drug.

**Gades win two tilts**

By PETER BORRETTI

The Gades have won two straight track meets this season, including the recent dual meet against Cal State Bakersfield.

The win was a result of hard work and dedication from the Gades' track team, who have been training consistently throughout the season. The team has recently had several strong performances, with several athletes setting new personal bests.

HART VALLEY CEMETERY OR?

by Rod Bond, Photo-Journalist

Nestled in the rolling hills of the Hart County countryside, Hart Valley Cemetery is a peaceful oasis of memories. The serene beauty of the property and its surrounding nature make it a fitting place for the resting of loved ones.

The cemetery is a testament to the memory of the families and individuals who have chosen to be laid to rest here. The graves are marked with simple headstones, each telling a story of a life well-lived.

TheMajestic View

The towering oak trees that surround the cemetery provide a protective canopy, offering shade and a sense of tranquility. The view is breathtaking, with the surrounding hills and fields stretching out into the distance.

The Community Hub

Hart Valley Cemetery is not just a place of solemn reflection, but also an important hub for the community. It is a place where families come to honor and remember their loved ones, and to connect with others who share the same heritage.

The Future of Hart Valley

As the community grows and changes, the cemetery will continue to evolve, becoming a place of connection and remembrance for generations to come. It is a place where stories are told and memories are cherished.

Dedicated to the Memory of Those We Love

Hart Valley Cemetery is a symbol of hope and healing. It is a place where we can find comfort in the knowledge that our loved ones are at peace, and that their memory lives on.

For more information, contact the Hart Valley Cemetery Association at 234-555-1212.

Bash planned for balloonists; flyers to carry egg on baskets

By Susan Foster

The annual Bash for balloonists is scheduled for Saturday, 1:00 p.m., at the Hart County Airport, 11315 Thomas Road. The event is expected to draw balloonists from across the region, including those from the nearby hotels and restaurants.

One of the highlights of the event will be the egg-carrying competition. Balloonists will be challenged to carry an egg on a basket made of materials of their choice. The first balloonist to successfully transport the egg from the ground to the sky will be declared the winner.

The event will also feature music, food, and a chance to watch the balloons take off. Admission is free to the public, and donations are accepted for the benefit of the Hart County Hospital.

---

Project Survival sets meeting

By Susan Foster

The Project Survival steering committee will hold its next meeting on Tuesday, 7:00 p.m., at the Hart County Library, 11315 Thomas Road. The meeting is open to the public, and all interested parties are encouraged to attend.

The steering committee will discuss the latest updates on the project, including the status of the construction, the budget, and the timeline. There will also be a chance for members of the community to voice their concerns and suggestions.

For more information, contact the project coordinator at 234-555-1212.

BC students tour Portervill State Hospital

By Susan Foster

A group of BC students recently visited the Porterville State Hospital as part of a psychology class field trip. The students were guided through the facility by a hospital staff member, who provided insight into the workings of the hospital.

The visit was a valuable learning experience for the students, who gained a better understanding of the complexities of mental health care and the challenges faced by those who work in the field.

For more information, contact Dr. Jane Smith, the psychology professor, at 234-555-1212.

Legislation to protect students with loans

A new bill introduced in the state legislature seeks to protect students who are burdened with educational loans. The bill would establish a Student Loan Assistance Program, which would provide low-interest loans and other financial assistance to students in need.

The legislation is backed by a coalition of student groups, including the National Association of Student Aid Administrators and the American Psychological Association.

For more information, contact Sen. John Smith, sponsor of the bill, at 234-555-1212.
**Trackmen in relays**

The Renegade Minefield will be buzzing with energy today for the first day of the SAC Relay meet at Wallyball. Coach Bob Connor's crew of 24 will have its work cut out for the upcoming Southern California and State track meet. Both of the qualifying and championship meets will be held by BC in this bloom at Teton track meet.

Assistant track coach and weightman intern Norm Hoffman stated that the Gadsby's will have nine males and seven females entered in the qualifying. Coach Hoffman also said that he will enter the qualifying for a State berth. Quarter mile art Bob Jeff and female sprinters, Bob Hoffman are figured to get in, but track meet marks. White Prince and Red Pills is the weight events along with Paul Shekoff in the javelin. Triple jumper Terry Quick, Long jumper O.C. Johnson and heavy Pierre in the power events will likely be also gone the road to turn in good performances. Others, including invarystyle names Mike Anderson, distance runner Mike N 0, and goal relay squad. The top four men to the men's

**Netters remain first in Metro Conference**

**Baseballers drop loop tills**

Mark Johnson's baseball teams snatched the second round of the Metro league action on a no-hit showing after dropping a surprising setback to Los Angeles Valley College last week. The Gadsby's have a good potential for a winning season, but have been defeated by the loop rivals. Baseballers lost by the score of 4-2 and will host LA Pacific tomorrow for the season opener. All baseballers have scored only runs in the last 19 ERs of the season.

**Birde team smashes GW**

**Golfers 6-2 in Metro action**

BC golfers upset Wadsworth round 6-2 with a 342 victory over the LA Valley Muscats. Playing the remaining was Bob Halton, Terry Swan and Mike Fairley, both teams had a 342 and built the team to 5th place in the league. Los Angeles yesterday and will meet at the Berwick Community College, the team heads 6-2 in the league. The BC golfers are led by Tom Ranalli, who took the team to the top of the league. The BC golfers are led by Tom Ranalli, who took the team to the top of the league.
