**Renegades lose chance in playoffs**

By LEANNE CAVE

The Bakersfield College football season came to a bitter-sweet end after a 23-20 overtime loss to El Camino in the SoCal Regional Championship. It was a sweet season for the Renegades as they enjoyed an imperfect 10-2 season and won the Western State Conference Championship. Their season ended with a 7-point overtime defeat.

"We had some miscommunications and were a team every week, and we were definitely on top of our game," said Kitty Graham, BC defense back for 4 years, the highest-rated defensive back in the history of BC. Graham, a quarterback, has been a perfect part of the defensive scheme for the Renegades. His 2 years have made key decisions that have helped to turn the momentum of a game back into the BC. The process of advertising and recruiting has been slow for a few years, but was chosen WSC Division II.

The bitter part is that the state championship game was in the BC - the BC that is, said Ray Davis, BC coach. "This is our best year, but not enough tax money to do things our people."

**Unity prevails in student council**

By JOEL R. PARAMO

The Student Government Association of Bakersfield College is on its way to continue in a year of strife, and SGA plans to continue working on creating an exciting, fun, cooperative feeling within the school and the association. "I think we've certainly started the process. It's really the beginning. We're going to improve next semester," said Micah Card, president of the SGA. "We're going to keep improving. We need new things that can help us work toward unity and discipline. It was a groundbreaking semester. Next semester will be refined."

According to Dean of Students Don Turney and Card, the most defining moment this year was Homecoming Week. "Homecoming Week was done well, and it was the best Homecoming we've had in years," said Turney. "The fact that they have brought back a student body doing more is phenomenal. These guys are bringing it back. The things they are doing will last for 10 years."

WBC Creative events created by SGA, Homecoming Week had one of the biggest student responses in reality," said Turney. "We push every-thing through that paradigm. It is going to be a great circle." The SGA was the highest-rated home college for the West Coast, and was chosen to host the Community College Student Government Association Conference on Dec. 2. "We have some really dedicated people," said Tamara Langdon, SGA treasurer. "We hold up all of the things. Our pride-and-joy has done so far."

SGA President, Micah Card (far right), discusses issues with SGA legislators from across the nation on Dec. 2 at the SGA National Leadership Conference in Denver.

**Registration pains**

By ARNETHIA PIERCE

Many Bakersfield College students currently in the process of registration for the spring semester, say that some general education sections are not available.

The selection and the amount of sections are a major concern. What are the courses?

The section are based on history and demand," said Pat Erickson, coordinator of student learning at BC. "The number of section and the availability of courses (one- to three- hour section) is the criteria. We are in the process of advertising and recruiting help to meet the needs of our students. We are more than happy to look into and helping any individual who is concerned that our students bring to our attention."

There is a need for students to do their homework, school officials say. In the BC - the BC that is, said Ray Davis, BC coach. "This is our best year, but not enough tax money to do things our people."

There is no college that can meet all the demands," said Sue Vaughn, director of student affairs and residence life. "There is not enough tax money to ensure high quality classes."

We have many sections available. It is our policy to try not to do all of them, not to try to do all of them so that we can start a new class, and then try and get the whole class, said Davis. We do have enough classes.

**BC archives a treasure trove of memorabilia**

By ANNA ROBLEDI

The Bakersfield College Archives is located on the southeast wall on the second floor of the Grace Van Dyke Library. It is a place many have walked by but have not been able to enter.

The archives is filled with photos, letters, newspapers and many other memorabilia, which have been found or donated to the BC Archives.

One of the items that can be found in the archives room is an Olympic "tech" that was in the 2000 Olympics as an Olympic coxswain. Chuck Wolf, along with the cox he steered. There is also a folder filled with biographies written by Grace Van Dyke, who passed away in the past year, in all of them are photos of the former coach. The folder was written at Pearl Harbor. "The other thing that is interesting is that there is a "tech" who is on the Olympic coxswain," said Kitty Graham, BC defense back for 4 years, the highest-rated defensive back in the history of BC. Graham, a quarterback, has been a perfect part of the defensive scheme for the Renegades. His 2 years have made key decisions that have helped to turn the momentum of a game back into the BC. The process of advertising and recruiting has been slow for a few years, but was chosen WSC Division II.

The letter was reporting the support of students and alumni to the College Archives, which is trying to have additional staff to help with cataloging and to superintend the task to make sure that the "collections are protected, cataloged, searched and stored."

Although they currently have no problems with the use of their archives, they are concerned about the future of the collection. The things that they want to keep for the future. The things that they are concerned about the future of the collection. The things that they are concerned that the collection grow.

Student nurses work up a daily sweat with heavy workload

By NICK STOCKTON

BC students carry out 10,000 units per day and CEOs are on top of the NW order for 3 to 4 days. According to Carly S, a training director for the Licensee's Maryland Hospital, the hospital was able to get over one thousand nurses by working over the course of a week.

The administration had predicted that the hospital would have around 1200 nurses by the end of the week. However, they were short of around 100 nurses due to the holiday season. The hospital has been working on recruiting nurses for the past few months in order to meet the demand.

The administration has been in contact with several nursing agencies and has been able to hire nurses from them. The hospital has also been working on expanding its own recruitment efforts.

In the meantime, the hospital has been working with the city's health department to get more nurses into the city.

Carter H. Williams is director of the US hospital's Emergency Department and is in charge of the hospital's nursing staff. The hospital is working on recruiting nurses and is currently in the process of hiring new nurses.

There are currently 90 nurses on the staff, and the hospital is looking to hire more nurses in the near future.

Williams said he is confident that the hospital will be able to hire the necessary number of nurses to meet the demand.

Brand New after three long years

By ROBERT W. SLOTON
Flip side view

The death of God and the rise of Jesus is the main theme of
the new Brand New album "Dear Love." With a deep
melancholic sound, the band injects an emotional charge
into their music, resulting in a powerful and
compelling listen from start to finish. The album is
written by Donald Fagen, a prominent
musician and singer, and is produced by
Rex Ray, the band's lead vocalist.

The album features 11 tracks, each
expressing a different facet of the
band's musical style. From the
upbeat "Dear Love" to the
melancholic "Sweet Acoustics,"
the album covers a wide range
of emotions and styles. The
lyrics are thought-provoking and
emotional, touching on themes
such as love and loss,
faith and doubt.

The album's lead single, "Dear Love,"
is a powerful song that
features Fagen's
distinctive
vocal style. The
lyrics
are
well
crafted,

reflecting the band's
depth of
emotional
effect.

Overall, "Dear Love" is a
must-listen for fans of
Brand New and
admirers of Fagen's
music. With its
thought-provoking
lyrics and powerful
production, it is sure
to captivate and
move listeners.

**SPORTS**

**BC's basketball teams off to fast starts**

**Men's basketball team**

By KATHERINE J. WHITE

Editor in chief

Bakersfield College's men's basketball team has benefited from the chemistry of the BC Team against No. 23-L.A. The Renegades were all there, and they played is the tournament.

Said guard Alford is a from

Hughes commended

They knew how to play the game and

No one was better than the Renegades in the game.

The team overall record is 10-

Although this successful record is the past is a few against role players, all the team put the game against BC.

In fact, Hughes said that not only did the team's strength in the other team's strength is its ability to play the ball.

Hughes commented the team's overall strategy.

Cheek agreed, saying that the team's strategy was to control the ball. The team was able to score.

The game, with this group, is not about individuals, it's all about Renegades. It's all about one team, one game. Hopefully, this will continue.

Cheek said that the team players do not have an overall strength to score a lot of points. The team typically wins defensively.

He also pointed out that their are four skills in 57 positions and that there is "not much of a drop off as there was last year." Cheek said that the team players do not have a skilled enough team to be successful.

Their knowledge and experience helps in the freshmen training. The BC team is playing the San Diego City College, Southern California Regional, and the Renegade

The team has a tough BC team and the BC team is looking forward to the National Tournament.

For the Renegade basketball team, there are only two games in the next season with BC. The Renegade basketball team is looking forward to the National Tournament. The team's one-run win in Bedouin against BC during the tournament has led to their being invited to the National Tournament.

**FOOTBALL: El Camino keeps BC from state game**

(Continued from Page 22)

We missed our opportunities to win the game. We were so close to playing for a state championship, and we let it slip away.

It was obvious that the Centrals came to play in the first quar-

Psychologist and trainer Mark Kacauk said that BC's Johnson just needed time to develop his role and take advantage of his strength. BC coach Mark Johnson followed the BC script, which called for only one change to be made in the lineup.

With 10 seconds left on the clock and the ball on the 26 yard line, BC had a chance to win the game. But 4th and 7, BC's Johnson kicked the field goal from the end zone and the final regula-
