Sandra Serrano
President
**Division of External Relations, Foundation and Administrative Services**

**Mission**
The Office of External Relations and Administrative Services exists to promote, develop and collaborate on behalf and for the general welfare of the Bakersfield College students. It is driven by the educational master plan and is committed to provide service to this institution of higher learning. The college goals are the drivers that the office focuses on to support its mission and that of our great community college.

**Purpose**
The Office of External Relations, Foundation and Administrative Services exists to support Bakersfield College in the following areas: creating resources from community and business partnerships, developing and disseminating informational needs of the institution and public information service, enhancing the institution’s image, providing public policy analysis, advocacy and support before governmental entities, supporting the development of educational programs, and supporting the administrative services of the institution to include the Business Fiscal Office, Facilities, Maintenance and Operations, Campus Public Safety, Bookstore and Food Services.

The units within this Division are Foundation, Business Fiscal Office, Facilities, Maintenance and Operations, Campus Public Safety, Bookstore and Food Services, Marketing and Public Relations, the BC Graphics Center, and the Alumni Association. Additional initiatives include Grants Management and Writing and Governmental Relations.

**Foundations**
The purpose of the Bakersfield College Foundation is to provide capital campaign support, student support through scholarships and community contact for monitoring and curriculum resources, faculty and staff support through grants and aid and numerous supplemental educational opportunities for staff and student. Foundation activities provided funds to finance scholarships and awards last year which directly benefited over 350 BC students including the President’s Scholars. The Foundation and its Board of Directors provide direct liaison for financial support between the College and the community. The Foundation also assists Bakersfield College students, administration, faculty and staff in the attainment of the college and community’s educational goals.

Total 2001/2002 Foundation assets equaled $4.5 million of which the majority is invested in bonds, equities and short-term notes. Income is derived from contributions, investment earnings, dues, and program income. Expenditures are primarily for scholarships, program expenses, student loans and awards, public relations and general operating expenses.

The Bakersfield College Alumni Association is available to all individuals who have a benevolent interest in the college to keep in contact with friends and maintain an association with the college. BC Alumni solicit contributions and participation through dues and events including the annual BC Barbecue in September and the Jack Frost Golf Tournament in April. All monies collected by this active volunteer group directly benefit BC students through an increasing number of student awards and scholarships as well as contributions to many other student affiliated school programs.

The Foundation and Alumni Offices are located at Bakersfield College in the Administration Building, Room 6, 1801 Panorama Drive, Bakersfield, California, 93305. Telephone 395-4273. Website address: http://www.bakersfieldcollege.edu/foundation.

**Delano Foundation**
The Delano College Center Foundation was established in 1975 to ensure that no student would be turned away from the Center for lack of money. This Foundation has distributed over $250,000 in scholarships, grants, and gifts to the students of the Delano Campus. The Delano College Center Foundation holds a yearly scholarship awards night near the end of each Spring semester. This yearly event honors contributors, scholarship award winners, and their families. This annual event is held in Delano and the public, to include civic, business, and educational leaders, regularly attend. The Foundation also hosts a fundraising Speakers forum. One forum is held each semester. This forum brings national and local speakers to Delano to speak on a variety of topics. The Delano Foundation can be reached through the Bakersfield Foundation or directly at (661) 725-8020. Friends and supporters of Bakersfield College are invited to support the Foundation and its activities.

Policy Concerning Sexual Harassment  
Bakersfield College is fully committed to all federal, state, and local human rights and equal opportunity laws. Title VII of the Civil Rights Act of 1964, amended 1991, and Title IX of the Educational Amendments of 1972 are strictly enforced. This legislation specifically prohibits sexual discrimination in employment, and educational programs and services respectively.

Students have the right to gain access to and complete an educational program at Bakersfield College. Interference with students’ admission to and successful completion of their education by any person through unlawful sexual conduct will not be tolerated. The college will initiate disciplinary action against persons found to have interfered with a student’s education through any means of sexual harassment or intimidation.

The Bakersfield College Student Handbook sets forth a statement of Students Rights and Responsibilities, including the complete sexual harassment policy and grievance procedures. Students should refer to this publication for further information.
ABOUT THE COLLEGE

History
Established in 1913, Bakersfield College is one of the oldest two-year community colleges in the nation. The initial program offered a one-year curriculum, and in 1915 the trustees of the Kern County High School and Junior College District authorized a second year of junior college and normal school courses. The college opened its 153-acre main campus on Panorama Drive in 1956. Bakersfield College offers courses at its satellite campuses located in downtown Bakersfield at the Weill Institute, Delano Community Campus and other locations in Kern County. Bakersfield College has continued to grow and to meet the educational needs of Kern County.

Bakersfield College is operated by the Kern Community College District, formed in 1961. In 1967, Porterville College joined the district. Cerro Coso, serving Ridgecrest and the desert area, joined in 1973.

Student Right to Know
In compliance with the federal Student Right-to-Know (SRTK) Act of 1990 (Public Law 101-542), Bakersfield College is publishing the following information about Completion and Transfer Rates. These rates are based on very limited cohort (or group) of students. The cohort of students is tracked over a period of three years to determine their academic outcomes. This year we are publishing information about the 1998 cohort, which was tracked from the Fall 1998 through Spring 2001.

The cohort is limited because it includes only students who entered BC in Fall 1998 as first-time, full-time students seeking a degree, certificate or transfer. For perspective, in Fall 1998, 13,246 students were enrolled at BC but the 1998 cohort included only 536 students or 4.1% of the total enrollment. The cohort excludes continuing students and students enrolled in less than 12 units during Fall 1998. It also excludes students who attended BC to upgrade job skills, gain new job skills, maintain licenses, improve basic skills, formulate career interests and complete credits for high school. Further, it excludes students enrolled in classes for personal enrichment, general interest and intellectual/cultural improvement.

Each student in the cohort can be counted in only one of the categories below. A student who fits into more than one category is counted in the one that is highest on the list. For example, a student who receives a degree and transfers is only counted in the Completion category.

Completion - The student completed an AA, AS, certificate or 56 transferable units with a 2.0 or better GPA within the three year period

Transfer - The student transferred to another postsecondary institution.

Still Enrolled - The student is still enrolled at the college.
Left in Good Academic Standing - The student is no longer enrolled, but left in “good academic standing”.
Left in Poor Academic Standing - The student is no longer enrolled, but left the college on academic or progress probation or was on Academic Suspension.

Other - The student left the college to serve in the armed forces, to serve in a Federal Foreign Aid Service (such as the Peace Corps), to serve on an official church mission, because they became permanently and totally disabled or because the student died.

The figure below depicts the results of all categories in BC’s 1998 SRTK Cohort. This data suggests that 91.7% of BC’s first-time, full-time students in Fall 1998 achieved some level of success - either program completion, transfer, departure in good standing or continued enrollment.

The table below compares BC’s Completion and Transfer Rates to the statewide Community College average. The slight difference in the percentages compared to the figures above is due to the exclusion of the “Other” category. The rates below are considered our official rates by the CA Community College Chancellor’s Office.

Nor do they account for student outcomes achieved after the three-year tracking period.
