Athletics 395-4266

Bakersfield College Athletics has a long and storied history of quality, sportsmanship, and success that started back in 1922. One of the goals is to continue to build upon the foundation and rich tradition that previous Renegade coaches, players, and support staff have worked so tirelessly to create. Another goal is to indoctrinate all Renegades to be not just an athlete, but also a well-rounded student-athlete and a productive member of the community. The philosophy of the Athletic Department is to "act like a winner on and off the fields and courts of play."

Bakersfield College has an enormous amount of community support that can only truly be appreciated after the student-athletes have experienced their time in the athletic program. Many former Renegades enjoy their experience so much that they return to work for the college. Others support the program in many other ways. Bakersfield College has first-class facilities, coaches, and the support staff is second to none. Most four-year universities would be envious of our athletic facilities, locker rooms, training room, and support staff.

Bakersfield College is a member of the Western State Conference and is governed by the Commission On Athletics. Bakersfield College has an excellent athletic support staff that includes: an athletic secretary, three certified trainers with a student staff, two equipment personnel, and an athletic counselor for scheduling and NCAA compliance. There are over three hundred Renegade student-athletes that compete for one of the eighteen different programs.

The Bakersfield College athletic department encourages all students to be participants either as athletes, fans, or student helpers.

There are nine men's and nine women's teams. The men's teams include football, cross country, wrestling, basketball, baseball, tennis, golf, track and field and swimming. The women's teams include soccer, volleyball, tennis, basketball, softball, cross country, track and field and swimming.
