About Bakersfield College

Bakersfield College was founded in 1913 and is one of the nation's oldest continually-operating community colleges.

The college serves 15,000 students on the 153-acre main campus in northeast Bakersfield, at the Weill Institute in downtown Bakersfield, and at the Delano Center 35 miles north of Bakersfield.

Classes are offered on a traditional 16-week semester calendar as well as in a variety of non-traditional scheduling options: evenings, weekends, short-term vocational programs and online.
